### ROP Conditions:

1. Prior to commencing any excavation works the permit holder must contact Dial Before You Dig on 1100, to locate and ensure protection to all utilities. Any alterations to existing utilities are subject to negotiation between the permit holder and the relevant company/authority/contractors. Council is not responsible for any costs associated with utilities. For further information refer to 1100.com.au.
2. The opening company/authority/contractors shall be responsible for the protection of the public and shall be responsible for all damages resulting from their negligence.
3. All surface and underground mains, cables, etc, are to be constructed in accordance with Council's "Mains and Services Code".
4. The opening company/authority/contractors shall ensure that at least half of the carriageway and/or footpath shall be available to pedestrians and/or vehicular traffic at all times.
5. Whole slabs of concrete will be charged for, including adjacent slabs which may be damaged during opening.
6. Receipt of restoration orders will be deemed to be and acknowledge that the restoration(s) has been compacted to Council's requirements and left in a satisfactory manner. Additional fees based on the above scale will be charged as often as is necessary for Council to repair sunken trenches, irrespective of the length of time after completion, but only after serving notice on the company/authority/contractors of Council's intention to do so.
7. The opening company/authority/contractors is responsible to ensure the restoration is compacted to Council requirements.
8. All measurements will be taken to the next 100mm - minimum 300mm for footpath and minimum 1000mm for roads.
9. If it is necessary for Council to undertake work on an opening or temporary restoration to provide for the safety of the public, Council will debit the opening company/authority/contractors for the full cost of the work including after-hours rates when appropriate.
10. All permanent construction of Council assets, listed above shall be repaired by Council, except where the company/authority/contractors has a legal right and chooses to do so. In this latter case maintenance shall be the responsibility of that company/authority/contractors for a duration as agreed by Council.
11. Where the opening authority engages contractors, Council requires restoration orders to be issued by the opening authority concerned.
12. An aggregate area of any one item in excess of 50 square metres within a distance of 400 metres may be charged based on actual cost, subject to Council being reimbursed for all costs, including overheads, incurred whether it is more or less than quoted or at a fixed rate negotiated with the Deputy General Manager, Infrastructure and Recreation Division.
13. The Road Opening Conference is an advisory body only and its decisions are NOT binding on Council.
14. Restoration of all brick paved areas will be charged on actual cost basis.
15. Permits must, at all times, be available on the job for inspection by Council's authorised officers.
16. If it is necessary for Council to undertake work on an opening or temporary restoration or place barriers and/or lamps adjacent to an opening to provide for the safety of the public, Council will debit the plumber/drainers/owner/builders for the full cost of the work including after-hour rates when appropriate as per Council's current Fees and Charges for Road Openings.
17. Absolute minimum cover of 450mm (sewerage 900mm) in rock and earth is required at gutters, water tables and footpaths. Absolute minimum cover of 600mm (Sewerage 900mm) in rock and earth required for roads. Where kerbing and guttering is in existence, Sydney Water minimum cover will be permitted, provided footpaths are assumed to have been constructed to a level rising 1 in 25 above the top of the kerb.
18. Permits are valid for six (6) months only, from date of payment.
19. Any unauthorised opening will lead to prosecution of the plumber/drainers/owner/builders.

*With all fees and charges for 2017/18 GST is inclusive if applicable.*

## Road Openings

Road Openings		Fee/Charge 2017/18 \$	Pricing Structure	Service Category	GST status
No.	Description				

20. All openings made in paved surfaces shall be provided with a temporary cold or hot mix seal, level with the existing undisturbed pavement adjacent to the opening.
21. All openings of road pavement on State Roads must be approved by Roads and Maritime Services.
22. All restoration work to be carried out outside normal working hours will be charged on an actual cost basis.
23. Where required, costs for traffic control will be charged in addition to restoration rates.
24. I acknowledge as per 'Surveying and Spatial Information Act 2002 No 83', Part 5, Section 24 that I must not remove, damage, destroy, displace, obliterate or deface any survey mark unless authorised to do so by the Surveyor-General. Penalties apply. For further information refer to [lpi.nsw.gov.au](http://lpi.nsw.gov.au).

*With all fees and charges for 2017/18 GST is inclusive if applicable.*
