

EXCITING NEW COMMUNITY FACILITIES ARE PLANNED FOR STOREY PARK, HORNSBY

STOREY PARK IS SET TO BECOME A FABULOUS NEW DESTINATION FOR THE LOCAL COMMUNITY OF HORNSBY, ASQUITH AND BEYOND.

A new community facility, playground and park are currently being planned and a development application has been lodged. The new facility will be built on the existing Asquith community centre site.

Take a look at the images below to see how your new facility will look.

A new, state of the art multiuse space catering for all community needs, with multipurpose rooms for all types of events and activities.

Inclusive play environment - includes an adventure area that will allow all age groups and abilities to play side by side.

Park facilities with a bike path, plenty of shade and seating, barbeque and picnic shelters.

Onsite parking and fully landscaped surrounds.
