

Transport Access Program

Beecroft Station Upgrade

Have your say

The NSW Government is improving accessibility at Beecroft Station

Have your say on the proposed improvements to Beecroft Station. Key features include:

- two new lifts to provide access to the pedestrian subway and station platform
- regrading the existing footpath to provide an accessible path to the new lift
- a new pedestrian landing over the existing staircase
- a new kiss-and-ride zone along Wongala Crescent
- relocation of the taxi zone to Wongala Crescent
- improvements to accessible parking in the Sutherland Road commuter car park
- upgraded footpaths around the station precinct to improve accessibility
- improvements to CCTV, wayfinding and lighting to improve safety and security
- landscaping.

Project objectives

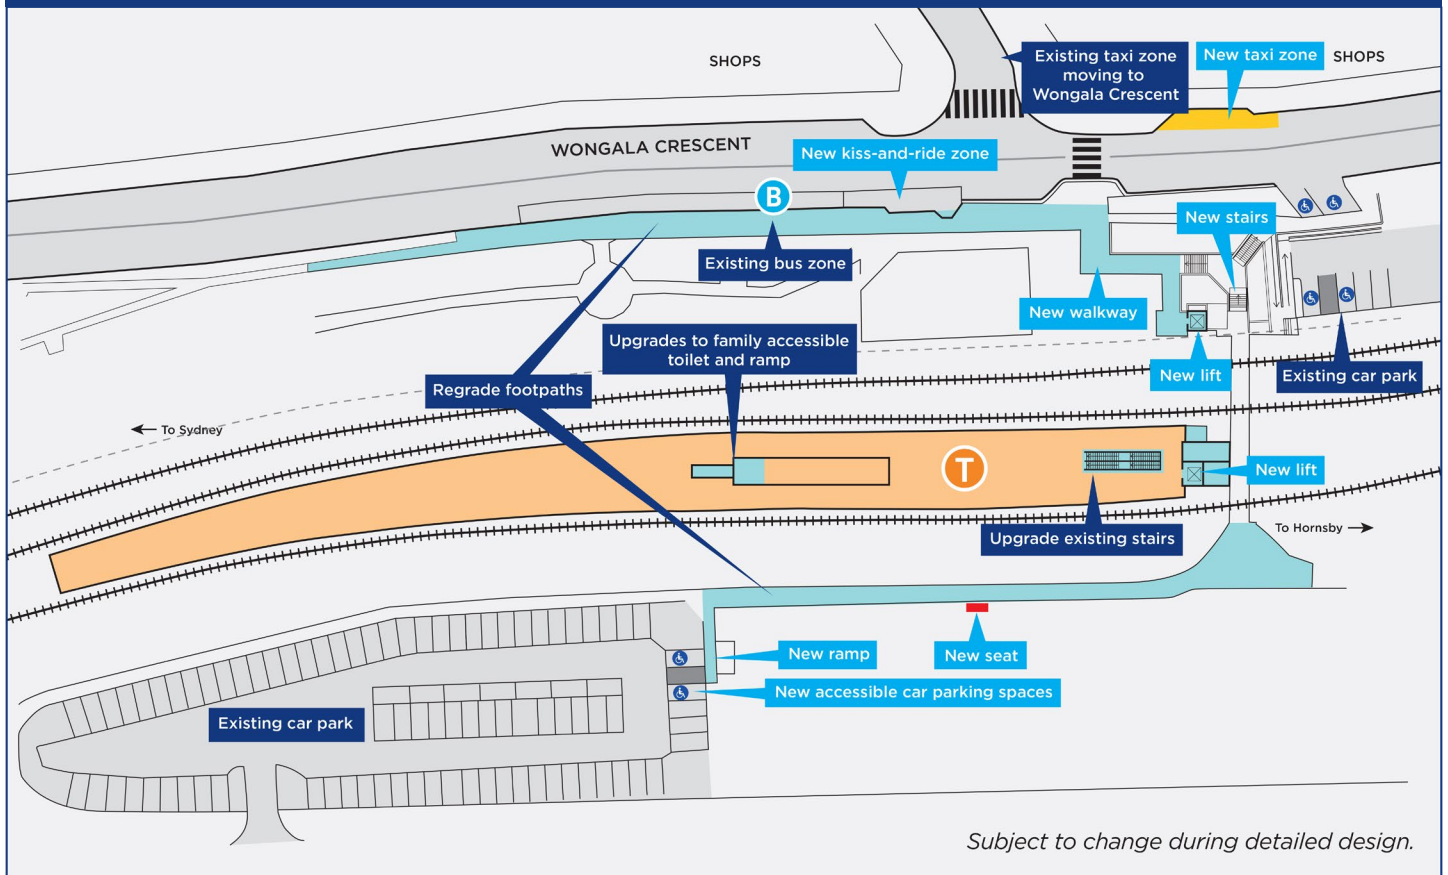

The objectives of the Beecroft Station Upgrade are to provide:

- a station precinct that is accessible for those with a disability, mobility impaired, parents and carers with prams, and customers with luggage
- modern interchanges that support an integrated network and allow seamless transfers between all modes for customers
- improved customer experience and safety.

Proposed upgrades to Beecroft Station

Have your say

The REF is on public display until **Friday 9 November 2018**, and community feedback is invited during this time. To view the REF, scan the QR code or visit:

- www.transport.nsw.gov.au/projects/current-projects/beeccroft-station-upgrade
- www.haveyoursay.nsw.gov.au
- **Transport for NSW Office**
Level 5, Tower A, Zenith Centre,
821 Pacific Highway, Chatswood
- **Pennant Hills Library**
Yarrara Road and Ramsay Road,
Pennant Hills NSW 2120

Feedback may be sent to:

- projects@transport.nsw.gov.au
- Transport Access Program – Beecroft
Associate Director Environmental Impact Assessment
Transport for NSW
Locked Bag 6501
St Leonards NSW 2065

Please provide your feedback by **Friday 9 November 2018**.

Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Next steps

Subject to planning approval, construction is expected to commence in mid-2019 and be completed in 2020.

Transport for NSW develops initial concept design options for the project including identification and consideration of environmental constraints, risks and opportunities.

We are here

Transport for NSW prepares a Review of Environmental Factors (REF) for public display and invites submissions.

Transport for NSW assesses and responds to feedback and prepares a submissions report/determination report with proposed conditions to minimise environmental impacts.

Transport for NSW determines the Proposal.
Conditions of Approval made available on Transport for NSW website.

Construction commences subject to compliance with conditions.

Come and meet the Transport for NSW project team

Between **4pm and 6pm on Monday 5 November 2018** and **Wednesday 7 November 2018**, the Transport for NSW project team will be at Beecroft Station to answer any questions and take feedback you may have on the project. Feel free to drop in at any time during these hours.

If you have any questions, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

Review of Environmental Factors

The Review of Environmental Factors (REF) is a planning document outlining the proposed works, potential impacts and mitigation measures.

The document includes comprehensive assessments on the existing environment and expected impacts of the project on the following areas: Traffic and Transport, Flora and Fauna, Visual Impact, Noise and Vibration, and Heritage.

Artist's impression of the proposed Beecroft Station upgrade (subject to change during detailed design).

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
