

Project update for Pennant Hills Road and Marsden Road, Carlingford

The NSW Government is funding this as part of the \$246 million Pinch Point which aims to reduce delays, manage congestion and maintain travel times on Sydney's main roads, particularly during weekday peak periods.

Roads and Maritime Services is continuing to deliver this important project. We have included a diagram to help better explain our work which includes:

- Extending the two right turn lanes from Pennant Hills Road northbound into Marsden Road
- Extending the two right turn lanes from Pennant Hills Road northbound into Carlingford Road
- Providing a new dedicated left turn lane from Marsden Road westbound onto Pennant Hills Road
- Providing a new southbound bus lane on Pennant Hills Road, south of Marsden Road
- Realigning the southbound lanes on Pennant Hills Road.

Work already completed includes constructing a retaining wall and vegetation removal. The next phase of work will include utility relocations.

This work will be continue until **end of March 2016**, weather permitting. Our working hours will still be from **7am to 6pm**. There will be **14** shifts of night work until **end of October**, excluding **Saturdays**. Our working hours during the night work will be from **8pm to 5am**. Further night work will be required later in the project and we will notify residents before the night work starts.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by arranging the work in stages at different locations and arranging the noisiest work before 11pm.

Traffic changes

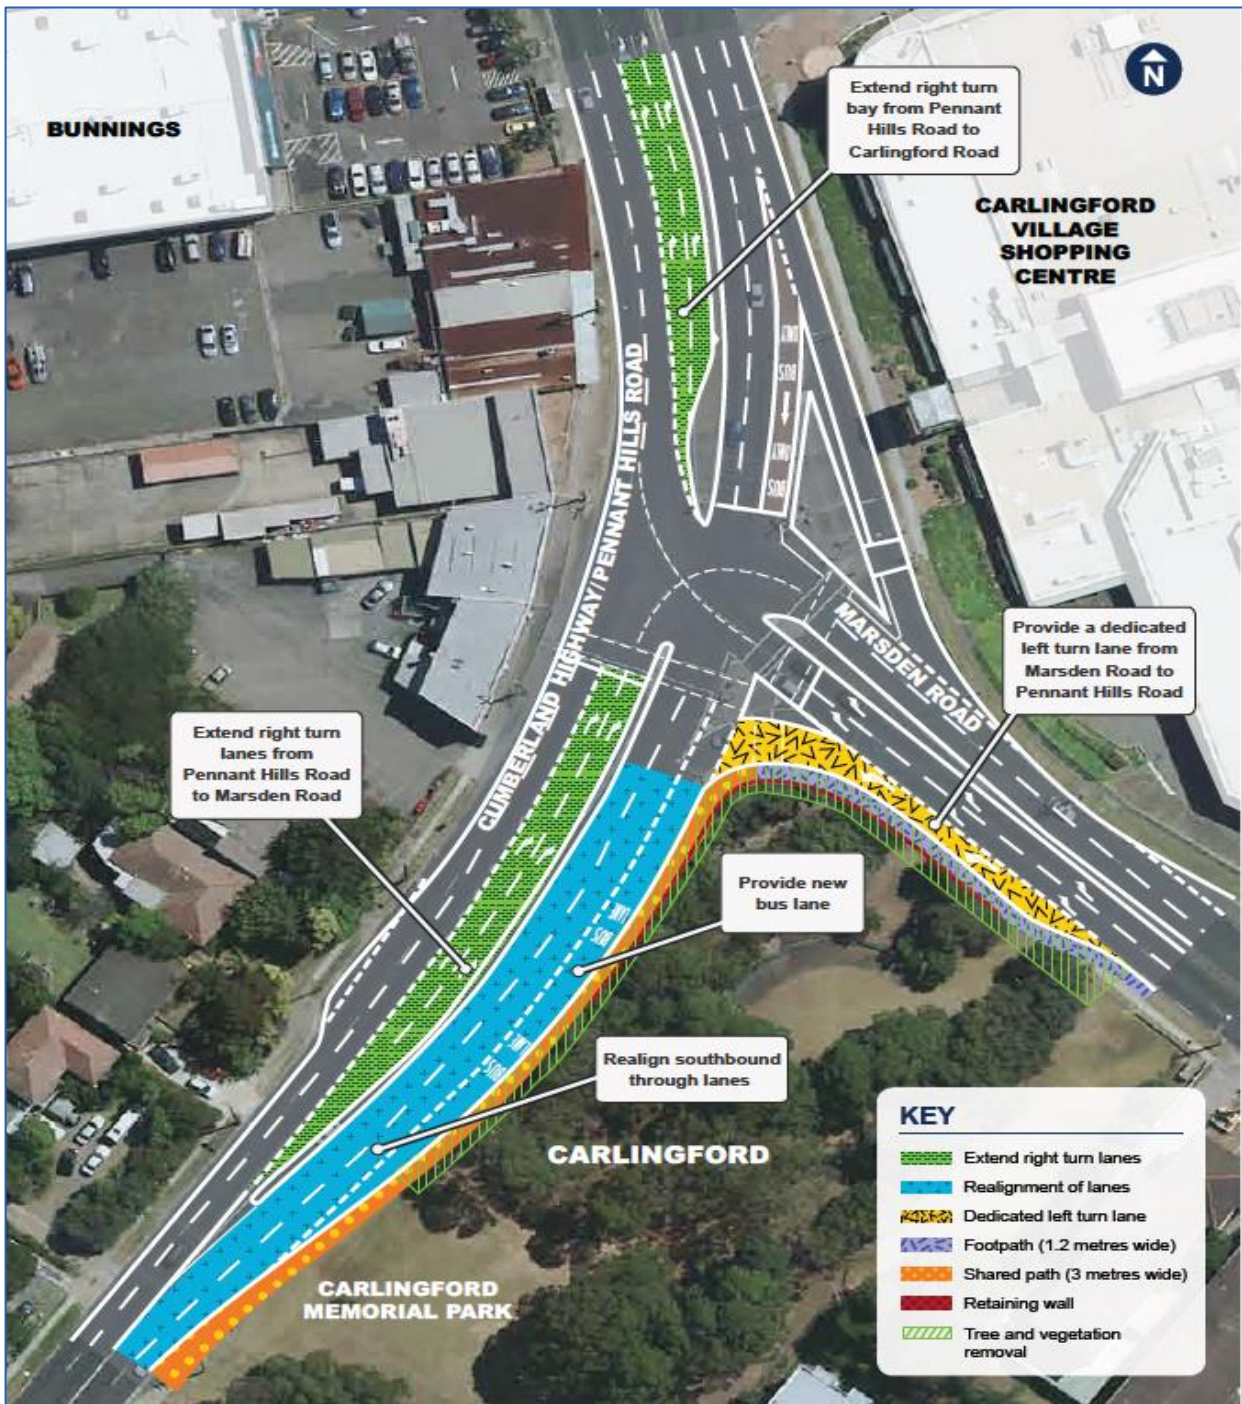

Temporary traffic changes will continue to be in place to ensure the work zone is safe.

Lane closures may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner DownerMouchel on 1800 332 660 or email enquiries_nsw@downermouchel.com. For more information on our projects, visit rms.nsw.gov.au

Thank you for your patience during this important work.
