

Operational Plan of Management

The Operational Plan of Management should address the following:

| Food processes and/or preparation: |
|---|
| ☐ Is food stored at the approved fixed location or is it sourced on the day of trade |
| Outline food processes that are carried out on the truck e.g. meats, salads, vegetables etc. |
| ☐ How is the leftover food processed? |
| Noise: |
| List items on the vehicle that are a source of noise e.g. ventilators, generators etc. |
| ☐ What measures have been taken to address any noise or vibration e.g. service frequency, attenuation measures etc. |
| ☐ What strategies are in place to address complaints or issues arising from noise generated? |
| Waste: |
| List the controls to manage litter around the site e.g. bins provided, staff to walk perimeter at the end |
| of trade, signs on truck etc. |
| ☐ Does the disposal of waste occur at the approved fixed location or elsewhere? |
| ☐ Who is the waste contractor? |
| Ventilation and odour: |
| ☐ Is ventilation used? |
| ☐ What measures have been taken to address any odour issues? |
| ☐ What is the frequency of cleaning and what items are cleaned? |
| ☐ Who carries out the cleaning? |
| Water: |
| ☐ Where is the potable water sourced from? |
| ☐ What is the capacity of the potable water storage tanks and the waste water tanks? |
| ☐ How is potable water transferred to storage tanks on the vehicle? |
| ☐ How are the storage tanks cleaned? |
| ☐ Where and how is the waste water disposed of? |
| ☐ If required by Sydney Water, where is the grease trap located? |
| |

296 Peats Ferry Rd, Hornsby 2077

| Cleansing: |
|--|
| ☐ Cleaning schedule: what, when and how. |
| $\hfill \square$ What are the main pieces of equipment cleaned and what is the overall cleaning process of the |
| vehicle? |
| \square Does minor equipment cleaning occur in the vehicle or only at the approved fix premises? |
| ☐ Does the vehicle carry additional utensils for food service? |
| Pest control: |
| ☐ What pest management controls are in place for the vehicle? |
| ☐ What is the frequency of pest control services? |
