

4 June 2015

Ref: N0024a

Dear Resident

## NorthConnex early work activities: services and utilities investigations – Hewitt Avenue and Aaron Place, Wahroonga

Further to our notification dated 18 May we are writing to advise that the services and utilities investigations on the footpath, grassy area and shoulder near Hewitt Avenue and Aaron Place, initially programmed as night work, will take place during the day from 7am to 6pm Monday to Friday. The project team reprogrammed this work as it will take place on local roads and does not impact peak hour traffic.

The remainder of the work which started 25 May at various locations on Pennant Hills Road and the M1 Pacific Motorway, about which we had previously advised, will continue to take place at night until the end of June.

Starting 10 June 2015 the day work at Hewitt Avenue and Aaron Place will continue for about three weeks (weather permitting) and will include some traffic control in those streets.

You may experience increased noise during this period. We apologise for any inconvenience caused and will take steps to minimise any impact associated with this important work.

We thank you for your patience, and if you have any questions, please don't hesitate to call members of the project team on **1800 997 057**, email <mailto:enquiries@northconnex.com.au> or visit the NorthConnex Community Information Centre at 354 - 356 Pennant Hills Road, Pennant Hills, open every Tuesday from 9am to 12pm and Thursday from 9am to 4pm.

Yours sincerely

**NorthConnex Project Team**
