

# Ready, Set, Grow

## Recommitment to Ready Set Grow 2 in 2013

Thank you for your commitment to Ready Set Grow 2 in 2012, together we have achieved some great school vegie gardens.

Our outcome for the Ready Set Grow program is to create sustainable school vegie gardens and to ensure students, teachers, parents and the wider community all enjoy the long term rewards of creating, planting, harvesting and eating from their own food garden. To ensure sustainability of your school garden the Ready Set Grow program will continue in 2013 and flow into 2014.
