

## ROAD OPENINGS - TYPICAL DETAILS

▲ Where asphalt is present

Dimensions in millimetres

This drawing to be used in conjunction with NATSPEC I152 - Road Openings and Restorations (Utilities).

**NOTES:**

1. The Restoration details shown are minimum requirements. The extent of the restoration required will be determined by Hornsby Shire Council and may extend beyond the limits of excavation.
2. Clauses referred to on diagram relate to NATSPEC I152.

### Restoration in Flexible Pavement (typical cross-section)
