

3 August 2015

Ref: N0024b

Dear Resident

NorthConnex services and utilities investigations in Russell Avenue, Wahroonga

As part of the preparation to construct the NorthConnex project, the project team will be carrying out investigations to locate underground utilities in Russell Avenue, Wahroonga.

From 10 to 12 August 2015, utility and pavement investigations will take place on the footpath and grass verge at a number of locations in Russell Avenue near where it intersects with Pennant Hills Road.

This work will be carried out over three consecutive days, weather permitting and will include:

- Control of traffic on Russell Avenue from 7am to 6pm Monday to Friday
- Assistance for pedestrians around the work
- Searching for locations of services including on the footpath and grass verge
- Non-destructive excavation to locate the services including core sample removal
- Repairing all the areas at the completion of the investigations.

Plant and equipment for this work includes saws, hand held drill, jackhammer, vacuum truck, lighting towers and generator. Residents may experience some increase in noise during this work and a number of measures will be in place to minimise any impact including use of hand held machinery as much as possible.

Traffic management will be in place in Russell Avenue to ensure the safety of motorists, residents and workers which includes assistance for pedestrians around the work.

Return 
local streets to local communities

Up to 
5,000 trucks per day
off Pennant Hills Road

Up to 
15 mins travel time saving
