

Boundary between A Ward and B Ward
 Beginning at the western boundary of the shire at Castle Hill and Glenhaven, the boundary commences at the intersection of Old Northern Rd and Hastings Rd, and then runs north east along Hastings Rd to New Line Rd, then south east along New Line Rd for a short distance to Georges Creek. The boundary then runs east along Georges Creek to the intersection with Pyes Creek, then east along Pyes Creek to the intersection with Berowra Creek, then north east along the centre of Berowra Creek to the intersection with Waitara Creek. The boundary then runs south along Waitara Creek until the intersection with Old Mans Creek, where the boundary turns north east and runs along Old Mans Creek and through the former quarry site, at Old Mans Valley, until it reaches the western end of Bridge Rd at Hornsby, where it then follows Bridge Rd directly to its intersection with the Pacific Hwy. The boundary then runs from Bridge Rd, north along the Pacific Hwy to the intersection with Mildred Ave, where the boundary then runs east along Mildred Ave to the intersection with Jersey St North, and then continues east towards the intersection with the rail line. The boundary then continues south west along the rail line to the intersection with the Pacific Hwy, then south east along the Pacific Hwy until it reaches the western end of Edgeworth David Ave and then it runs east, then south and east again along Edgeworth David Ave until the intersection with Wonoona Ave. The boundary then continues south along Wonoona Ave to its end and then directly east for a short distance until it meets the shire boundary at the centre of the F3 Expressway.

Boundary between B Ward and C Ward
 Beginning at the western boundary of the shire at Cherrybrook, the boundary commences at the intersection of Castle Hill Rd and Franklin Rd, and then runs north east along Franklin Rd, then south east along Neal Ave, then north east along the Bowerman Pl to its end, and then continues east to the intersection with New Line Rd. The boundary then runs north west along New Line Rd, then south east along Boundary Rd for a short distance, then north east along Francis Greenway Dr until its intersection with Tudor Ave, then north east along Tudor Ave, then east along Pecan Pl, then continuing east from the end of Pecan Pl to the intersection with Berowra Creek. The boundary then runs north for approximately 500 metres along Berowra Creek until its intersection with an unnamed creek, then runs south east along this unnamed creek passing to the south of Duneba Dr and De Saxe Cl in Westleigh, but north of the Hornsby Pony Club and Jackson Cr at Pennant Hills, and continues east passing between the cul de sacs of Edmundson Cl and Morgan St at Thornleigh, continuing east to the intersection of Wanawong Dr and Nicholson Ave. The boundary then runs north along Nicholson Ave, then east along Oakleigh Ave and Hall Ave, then continuing east from the end of Hall Ave to the centre of the rail line at Thornleigh, then north east along the centre of the rail line, passing under the Duffy Ave and Dartford Rd bridges, continuing for approximately 200 metres past the Dartford Rd bridge, then south east along part of Dartford Rd until its intersection with Pennant Hills Rd. It then continues south west along Pennant Hills Rd, then south along Nelson St, then south east along Greenhill Ave, then south along Cedar St, then east and then south along Oak St, then south along Begonia Rd, continuing south from the end of Begonia Rd to The Comenarra Pwy, and then east along The Comenarra Pwy to the eastern side of the shire boundary.
