### 5. Independent Auditor's Reports:

- On the Financial Statements (Sect 417 [2])	66
- On the Conduct of the Audit (Sect 417 [3])	68

### **Overview**

- (i) These financial statements are General Purpose Financial Statements and cover the consolidated operations for Hornsby Shire Council.
- (ii) Hornsby Shire Council is a body politic of NSW, Australia being constituted as a Local Government area by proclamation and is duly empowered by the Local Government Act (LGA) 1993 of NSW.

Council's Statutory Charter is specified in Paragraph 8 of the LGA and includes;

- carrying out activities and providing goods, services & facilities appropriate to the current & future needs of the Local community and of the wider public
- responsibility for administering regulatory requirements under the LGA and other applicable legislation, &
- a role in the management, improvement and development of the resources of the local government area.

A description of the nature of Council's operations and its principal activities are provided in Note 2(b).

- (iii) All figures presented in these financial statements are presented in Australian Currency.
- (iv) These financial statements were authorised for issue by the Council on 17/10/12. Council has the power to amend and reissue the financial statements.

### General Purpose Financial Statements for the financial year ended 30 June 2012

### Understanding Council's Financial Statements

### Introduction

Each year, individual Local Governments across NSW are required to present a set of audited Financial Statements to their Council & Community.

### What you will find in the Statements

The Financial Statements set out the financial performance, financial position & cash flows of Council for the financial year ended 30 June 2012.

The format of the Financial Statements is standard across all NSW Councils and complies with both the accounting & reporting requirements of Australian Accounting Standards and requirements as set down by the NSW Division of Local Government.

### About the Councillor/Management Statement

The Financial Statements must be certified by Senior staff as "presenting fairly" the Council's financial results for the year, and are required to be adopted by Council - ensuring both responsibility for & ownership of the Financial Statements.

### About the Primary Financial Statements

The Financial Statements incorporate 5 "primary" financial statements:

### 1. An Income Statement

A summary of Council's financial performance for the year, listing all income & expenses.

This Statement also displays Council's original adopted budget to provide a comparison between what was projected and what actually occurred.

### 2. A Statement of Comprehensive Income

Primarily records changes in the fair values of Council's Infrastructure, Property, Plant & Equip.

### 3. A Balance Sheet

A 30 June snapshot of Council's Financial Position including its Assets & Liabilities.

### 4. A Statement of Changes in Equity

The overall change for the year (in dollars) of Council's "net wealth".

### 5. A Statement of Cash Flows

Indicates where Council's cash came from and where it was spent.

This Statement also displays Council's original adopted budget to provide a comparison between what was projected and what actually occurred.

### About the Notes to the Financial Statements

The Notes to the Financial Statements provide greater detail and additional information on the 5 Primary Financial Statements.

### About the Auditor's Reports

Council's Financial Statements are required to the audited by external accountants (that generally specialize in Local Government).

In NSW, the Auditor provides 2 audit reports:

- An opinion on whether the Financial Statements present fairly the Council's financial performance & position, &
- 2. Their observations on the conduct of the Audit including the Council's financial performance & financial position.

### Who uses the Financial Statements ?

The Financial Statements are publicly available documents & must be presented at a Council meeting between 7 days & 5 weeks after the date of the Audit Report.

Submissions from the public can be made to Council up to 7 days subsequent to the public presentation of the Financial Statements.

Council is required to forward an audited set of Financial Statements to the Division of Local Government.

### **General Purpose Financial Statements**

for the financial year ended 30 June 2012

### Statement by Councillors and Management

made pursuant to Section 413(2)(c) of the Local Government Act 1993 (as amended)

### The attached General Purpose Financial Statements have been prepared in accordance with:

- The Local Government Act 1993 (as amended) and the Regulations made thereunder,
- The Australian Accounting Standards and professional pronouncements, and
- The Local Government Code of Accounting Practice and Financial Reporting.

### To the best of our knowledge and belief, these Financial Statements:

- present fairly the Council's operating result and financial position for the year, and
- accords with Council's accounting and other records.

### We are not aware of any matter that would render the Reports false or misleading in any way.

Signed in accordance with a resolution of Council made on 17 October 2012.

S. Russell MAYOR S. Phillips GENERAL MANAGER

R. Browne COUNCILI

G. Magus RESE ONSIBLE ACCOUNTING OFFICER

### Notes to the Financial Statements

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies

The principal accounting policies adopted by Council in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

### (a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board, the Local Government Act (1993) and Regulation, and the Local Government Code of Accounting Practice and Financial Reporting. Hornsby Shire Council is a not-for-profit entity for the purpose of preparing the financial statements.

# (i) New and amended standards adopted by Council

None of the new standards and amendments to standards that are mandatory for the first time for the financial year beginning 1 July 2011 affected any of the amounts recognised in the current period or any prior period and are not likely to affect future periods.

### (ii) Early adoption of standards

Hornsby Shire Council has not elected to apply any pronouncements before their operative date in the annual reporting period beginning 1 July 2011.

### (iii) Historical cost convention

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of available-for-sale financial assets, financial assets and liabilities (including derivative instruments) at fair value through profit or loss, certain classes of property, plant and equipment and investment property.

### (iv)Critical accounting estimates and judgements

### Critical accounting estimates and assumptions

Hornsby Shire Council makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimated fair values of infrastructure, property, plant and equipment have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

- Critical judgements in applying the entity's accounting policies
  - (i) Council has made a significant judgement about the impairment of a number of its receivables in note 7.
  - (ii) Council has used significant judgement in determining future Section 94 income and expenditure in Note 17.

### (b) Revenue recognition

Council recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Council's activities as described below. Council bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Revenue is measured at the fair value of the consideration received or receivable. Revenue is measured on major income categories as follows:

### **Rates, Annual Charges, Grants and Contributions**

Rates, annual charges, grants and contributions (including developer contributions) are recognised as revenues when the Council obtains control over the assets comprising these receipts. Developer contributions may only be expended for the purposes for which the contributions were required but the Council may apply contributions according to the priorities established in work schedules.

Control over assets acquired from rates and annual charges is obtained at the commencement of the rating year as it is an enforceable debt linked to the rateable property or, where earlier, upon receipt of the rates.

Control over granted assets is normally obtained upon their receipt (or acquittal) or upon earlier notification that a grant has been secured, and is valued at their fair value at the date of transfer.

Revenue is recognised when the Council obtains control of the contribution or the right to receive the contribution, it is probable that the economic benefits comprising the contribution will flow to the Council and the amount of the contribution can be measured reliably.

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

Where grants or contributions recognised as revenues during the financial year were obtained on condition that they be expended in a particular manner or used over a particular period and those conditions were undischarged at balance date, the unused grant or contribution is disclosed in Note 3(g). The note also discloses the amount of unused grant or contribution from prior years that was expended on Council's operations during the current year.

A liability is recognised in respect of revenue that is reciprocal in nature to the extent that the requisite service has not been provided as at balance date.

### **User Charges, Fees and Other Income**

User charges and fees (including parking fees and fines) are recognised as revenue when the service has been provided, the payment is received, or when the penalty has been applied, whichever first occurs.

# Sale of Infrastructure, Property, Plant and Equipment

The profit or loss on sale of an asset is determined when control of the asset has irrevocably passed to the buyer.

### **Interest and Rents**

Interest and rents are recognised as revenue on a proportional basis when the payment is due, the value of the payment is notified, or the payment is received, whichever first occurs.

### (c) Principles of Consolidation

### The Consolidated Fund

In accordance with the provisions of Section 409(1) of the LGA 1993, all money and property received by Council is held in the Council's Consolidated Fund unless it is required to be held in the Council's Trust Fund. The consolidated fund and other entities through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this report.

The following entities have been included as part of the Consolidated Fund:

General Purpose Operations

The following Committees, the transactions of which are considered immaterial either by amount or nature, have been excluded:

Section 377 Committees

The total revenue and expenditure from continuing operations and the net assets held by these Committees is as follows:

Total income from continuing operations	\$400,000
Total expenditure from continuing operations	\$400,000
Total net assets (Equity) held	\$1,000,000

### Note:

Where actual figures are not known, best estimates have been applied.

### (d) Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to Council as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the income statement on a straight-line basis over the period of the lease.

Lease income from operating leases where Council is a lessor is recognised in income on a straight-line basis over the lease term.

### (e) Acquisition of Assets

The purchase method of accounting is used to account for all acquisitions of assets. Cost is measured as the fair value of the assets given, plus costs directly attributable to the acquisition.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the Council's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

### (f) Impairment of assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortisation and are

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired.

Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date.

### (g) Cash and Cash Equivalents

For cash flow statement presentation purposes, cash and cash equivalents includes;

- cash on hand,
- deposits held at call with financial institutions,
- other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and
- bank overdrafts.

Bank overdrafts, if any, are shown within borrowings in current liabilities on the balance sheet.

### (h) Receivables

Receivables are recognised initially at fair value and subsequently measured at amortised cost, less any provision for impairment.

Receivables are generally due for settlement within 30 days.

The collectibility of receivables is reviewed on an ongoing basis. Debts which are known to be

uncollectible are written off by reducing the carrying amount directly.

An allowance account (provision for impairment of receivables) is used when there is objective evidence that the Council will not be able to collect all amounts due according to the original terms of the receivables.

Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments (more than 30 days overdue) are considered indicators that the receivable is impaired. The amount of the impairment allowance is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. Cash flows relating to short-term receivables are not discounted if the effect of discounting is immaterial. The amount of the impairment loss is recognised in the income statement within other expenses. When a receivable for which an impairment allowance had been recognised becomes uncollectible in a subsequent period, it is written off against the allowance account.

Subsequent recoveries of amounts previously written off are credited against other expenses in the income statement.

### (i) Inventories

# Raw Materials and Stores, Work in Progress and Finished Goods

Raw materials and stores, work in progress and finished goods are stated at the lower of cost and net realisable value.

Cost comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

Costs are assigned to individual items of inventory on the basis of weighted average costs.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

# Land Held for Resale/Capitalisation of Borrowing Costs

Land held for resale is stated at the lower of cost and net realisable value.

Cost is assigned by specific identification and includes the cost of acquisition, and development and borrowing costs during development.

When development is completed borrowing costs and other holding charges are expensed as incurred.

### (j) Investments and Other Financial Assets

Council classifies its investments into one of the following categories for measurement purposes:

- financial assets at fair value through profit or loss,
- loans and receivables,
- held-to-maturity investments, and
- available-for-sale financial assets.

Each classification depends on the purpose for which the investment was acquired.

Management determines the classification of its investments at initial recognition and, in the case of assets classified as held-to maturity, re-evaluates this designation at each reporting date.

Financial assets at fair value through profit or loss are financial assets held for trading.

A financial asset is classified in this category if it is acquired principally for the purpose of selling in the short term.

Derivatives are classified as held for trading unless they are designated as hedges.

Assets in this category are classified as current assets.

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for those with maturities greater than 12 months after the reporting date which are classified as non-current assets. Loans and receivables are included in receivables (Note 7) in the balance sheet.

**Held-to-maturity investments** are non-derivative financial assets with fixed or determinable payments and fixed maturities that Council's management has the positive intention and ability to hold to maturity. Held-to-maturity financial assets are included in non-current assets, except for those with maturities less than 12 months from the reporting date, which are classified as current assets.

Available-for-sale financial assets are nonderivatives that are either designated in this category or not classified in any of the other categories. They are included in non-current assets unless management intends to dispose of the investment within 12 months of the reporting date. Investments are designated as available-for-sale if they do not have fixed maturities and fixed or determinable payments and management intends to hold them for the medium to ling term.

### Financial Assets – Reclassification

Council may choose to reclassify a non-derivative trading financial asset out of the held-for-trading category if the financial asset is no longer held for the purpose of selling it in the near term.

Financial assets other than loans and receivables are permitted to be reclassified out of the held-for-trading category only in rare circumstances arising from a single event that is unusual and highly unlikely to recur in the near term.

Council may choose to reclassify financial assets that would meet the definition of loans and receivables out of the held-for-trading or available-for-sale categories if it has the intention and ability to hold these financial assets for the foreseeable future or until maturity at the date of reclassification.

Reclassifications are made at fair value as of the reclassification date. Fair value becomes the new cost or amortised cost as applicable, and no reversals of fair value gains or losses recorded before reclassification date are subsequently made.

Effective interest rates for financial assets reclassified to loans and receivables and held-tomaturity categories are determined at the reclassification date. Further increases in estimates

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

of cash flows adjust effective interest rates prospectively.

### **Recognition and de-recognition**

Regular purchases and sales of financial assets are recognised on trade-date - the date on which Council commits to purchase or sell the asset. Investments are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income statement. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and Council has transferred substantially all the risks and rewards of ownership.

When securities classified as available-for-sale are sold, the accumulated fair value adjustments recognised in equity are included in the income statement as gains and losses from investment securities.

### **Subsequent Measurement**

Loans and receivables and held-to-maturity investments are carried at amortised cost using the effective interest method.

Financial assets at fair value through profit and loss and available–for-sale financial assets are subsequently carried at fair value. Gains and losses arising from changes in the fair value of the financial assets classified as "fair value through profit or loss" category are included in the income statement in the period in which they arise.

### Impairment

Council assesses at the end of each reporting period whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated. For loans and receivables, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced and the amount of the loss is recognised in profit or loss.

### **Investment Policy**

Council has an approved Investment Policy in order to undertake its investment of money in accordance with (and to comply with) Section 625 of the Local Government Act and S212 of the LG (General) Regulations 2005.

Investments are placed and managed in accordance with the Policy and having particular regard to authorised investments prescribed under the Local Government Investment Order.

Council maintains its investment Policy in compliance with the Act and ensures that it or its representatives exercise care, diligence and skill that a prudent person would exercise in investing Council funds.

Council amended its policy following revisions to the Investment Order arising from the Cole Inquiry recommendations. Certain investments the Council holds are no longer prescribed, however they have been retained under grandfathering provisions of the Order.

These will be disposed of when most financially advantageous to Council.

### (k) Fair value estimation

The fair value of financial asset s and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets is based on quoted market prices at the balance sheet date.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques.

Council uses a variety of methods and makes assumptions that are based on market conditions existing at each balance date.

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

Quoted market prices or dealer quotes for similar instruments are used for long-term debt instruments held.

Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments of trade receivables and payables are assumed to approximate their fair values.

The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

### (I) Infrastructure, Property, Plant and Equipment (IPPE)

### Acquisition of assets

Council's assets have been progressively revalued in accordance with a staged implementation advised by the Division of Local Government.

At balance date, the following classes of IPPE were stated at their fair value;

- Operational Land (External Valuation)
- Buildings Specialised/Non Specialised (External Valuation)
- **Plant and Equipment** (as approximated by depreciated historical cost)
- Road assets roads, bridges and footpaths (Internal Valuation)
- Drainage assets (Internal Valuation).
- Bulk earthworks (Internal Valuation).
- **Community Land** (internal valuation).
- Land Improvements (as approximated by depreciated historical cost).
- **Other structures** (as approximated by depreciated historical cost).
- **Other assets** (as approximated by depreciated historical cost).

Full revaluations are undertaken for all assets on a 5 year cycle.

Increases in the carrying amounts arising on revaluation are credited to the asset revaluation reserve. To the extent that the increase reverses a decrease previously recognising profit or loss, the increase is first recognised in profit or loss. Decreases that reverse previous increases of the same asset are first charged against revaluation reserves directly in equity to the extent of the remaining reserve attributable to the asset; all other decreases are charged to the income statement.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to Council and the cost of the item can be measured reliably.

All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Land is not depreciated. Depreciation on other assets is calculated using the straight line method to allocate their cost, net of their residual values, over their estimated useful lives, as follows:

Buildings	40-80 years
Plant & Equipment	6-8 years
Vehicles	5 years
Furniture & Fittings	6-7 years
Land Improvements	20 years
Road Assets	20-100 years
Drainage Assets	100 years
Bridges	60-80 years
Bulk Earthworks	100 years

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Gains and losses on disposals are determined by comparing proceeds with carrying amounts. These are included in the income statement.

Land, other than land under roads, is classified as either operational or community in accordance with Part 2 of Chapter 6 of the Local Government Act (1993). This classification is made in Note 9(a).

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

### **Capitalisation Thresholds**

Items of infrastructure, property, plant and equipment are not capitalised unless their cost of acquisition exceeds the following;

Land	
- council land	100% Capitalised
- open space	100% Capitalised
Plant & Equipment	
Office Furniture	> \$5,000
Office Equipment	> \$5,000
Other Plant & Equipment	> \$5,000
Buildings & Land Improvements	
Park Furniture & Equipment	> \$5,000
Building	
- construction/extensions	100% Capitalised
- renovations	> \$5,000
Buildings & Land Improvements (cor	ntinued)
Other Structures	> \$5,000
Stormwater Assets	
Drains & Culverts	> \$5,000
Other	> \$5,000
Transport Assets	
Road construction & reconstruction	100% Capitalised
Bridge construction & reconstruction	100% Capitalised

### (m) Investment property

Investment property comprises land &/or buildings that are principally held for long-term rental yields, capital gains or both and is not occupied by Council.

Council currently holds no property which is classified as investment property.

### (n) Payables

These amounts represent liabilities for goods and services provided to the Council prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

### (o) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Income Statement over the period of the borrowings using the effective interest method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any noncash assets transferred or liabilities assumed, is recognised in other income or finance cost.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

### (p) Borrowing Costs

Borrowing costs incurred for the construction of any qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed.

### (q) Provisions

Provisions are recognised when:

- Council has a present legal or constructive obligation as a result of past events;
- it is probable that an outflow of resources will be required to settle the obligation; and
- the amount has been reliably estimated.

Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

settlement is determined by considering the class of obligations as a whole.

A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the reporting date.

The discount rate used to determine the present value reflects current market assessments of the time value of money and the risks specific to the liability.

The increase in the provision due to the passage of time is recognised as interest expense

### (r) Employee benefits

### (i) Short-term obligations

Liabilities for wages and salaries, including nonmonetary benefits, annual leave and accumulating sick leave expected to be settled within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

The liability for annual leave and accumulating sick leave is recognised in the provision for employee benefits. All other short-term employee benefit obligations are presented as payables.

### (ii) Other long-term employee benefit obligations

The liability for long service leave and annual leave which is not expected to be settled within 12 months after the end of the period in which the employees render the related service is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the end of the reporting period on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur.

### (iii) Retirement benefit obligations

All employees of the Council are entitled to benefits on retirement, disability or death.

Council contributes to various defined benefit plans and defined contribution plans on behalf of its employees.

### **Defined Benefit Plans**

A liability or asset in respect of defined benefit superannuation plans would ordinarily be recognised in the balance sheet, and measured as the present value of the defined benefit obligation at the reporting date plus unrecognised actuarial gains (less unrecognised actuarial losses) less the fair value of the superannuation fund's assets at that date and any unrecognised past service cost.

The present value of the defined benefit obligation is based on expected future payments which arise from membership of the fund to the reporting date, calculated annually by independent actuaries using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. However, when this information is not reliably available, Council can account for its obligations to defined benefit plans on the same basis as its obligations to defined contribution plans (see below).

The Local Government Superannuation Scheme has advised members that, as a result of the global financial crisis, it has a significant deficiency of assets over liabilities. As a result, they have asked for significant increases in contributions to recover that deficiency. Council's share of that deficiency cannot be accurately calculated as the Scheme is a mutual arrangement where assets and liabilities are pooled together for all member councils. For this reason, no liability for the deficiency has been

### Notes to the Financial Statements

for the financial year ended 30 June 2012

Note 1. Summary of Significant Accounting Policies (continued)

recognised in Council's accounts. Council has, however, disclosed a contingent liability in note 18 to reflect the possible obligation that may arise should the Scheme require immediate payment to correct the deficiency. The share of the deficit that can be broadly attributed to Hornsby Shire Council was estimated to be in the order of \$5,340,389 as at 30 June 2012.

Contributions to defined contribution plans are recognised as an expense as they become payable.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

### (iv) Employee Benefit On-Costs

Council has recognised at year end the aggregate on-cost liabilities arising from employee benefits and in particular those on-cost liabilities that will arise when payment of current employee benefits is made in future periods.

These amounts include Superannuation and Workers Compensation expenses which will be payable upon the future payment of certain Leave Liabilities accrued as at 30/6/10.

### (s) Rounding of amounts

Unless otherwise indicated, amounts in the financial report have been rounded off to the nearest thousand dollars.

### (t) Land under roads

Land under roads is land under roadways and road reserves including land under footpaths, nature strips and median strips.

Council has elected not to recognise land under roads acquired before 1 July 2008 in accordance with AASB 1051

Land under roads acquired after 1 July 2008 is recognised in accordance with AASB 116 – Property, Plant and Equipment.

### (u) Provisions for close down, restoration and for environmental clean up costs including Tips and Quarries

Close down and restoration costs are a normal consequence of tip and quarry operations, and the majority of close down and restoration expenditure is incurred at the end of the life of the operations.

Council has resolved to fill Hornsby Quarry with virgin excavated natural material and has engaged consultants to seek appropriate planning and environmental approvals. In the absence of reliably estimated costs no provision has been made in Council's books.

### (v) Allocation between current and noncurrent assets & liabilities

In the determination of whether an asset or liability is classified as current or non-current, consideration is given to the time when each asset or liability is expected to be settled.

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle.

### Exceptions

In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months (such as vested long service leave), the liability is classified as current even if not expected to be settled within the next 12 months.

In the case of inventories that are "held for trading", these are also classified as current even if not expected to be realised in the next 12 months.

# (w) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for 30 June 2012 reporting periods. Council's assessment of the impact of these new standards and interpretations is set out below.

(i) AASB 9 Financial Instruments, AASB 2009 11 Amendments to Australian Accounting Standards arising from AASB 9 and AASB 2010-7 Amendments to Australian Accounting

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

# Standards arising from AASB 9 (December 2010) (effective from 1 January 2013\*)

AASB 9 *Financial Instruments* addresses the classification, measurement and derecognition of financial assets and financial liabilities. The standard is not applicable until 1 January 2013\* but is available for early adoption. When adopted, the standard will affect in particular the Council's accounting for its available-for-sale financial assets, since AASB 9 only permits the recognition of fair value gains and losses in other comprehensive income if they relate to equity investments that are not held for trading. Fair value gains and losses on available-for-sale debt instruments, for example, will therefore have to be recognised directly in profit or loss.

There will be no impact on the Council's accounting for financial liabilities, as the new requirements only affect the accounting for financial liabilities that are designated at fair value through profit or loss and the Council does not have any such liabilities. The derecognition rules have been transferred from AASB 139 Financial Instruments: Recognition and Measurement and have not been changed.

\* In December 2011, the IASB delayed the application date of IFRS 9 to 1 January 2015. The AASB is expected to make an equivalent amendment to AASB 9 shortly.

(ii) AASB 10 Consolidated Financial Statements, AASB 11 Joint arrangements, AASB 12 Disclosure of Interests in Other Entities, revised AASB 127 Separate Financial Statements and AASB 128 Investments in Associates and Joint Ventures and AASB 2011-7 Amendments to Australian Accounting Standards arising from the Consolidation and Joint arrangements Standards (effective 1 January 2013)

In August 2011, the AASB issued a suite of five new and amended standards which address the accounting for joint arrangements, consolidated financial statements and associated disclosures.

AASB 10 replaces all of the guidance on control and consolidation in AASB 127 *Consolidated and Separate Financial Statements*, and interpretation 12 *Consolidation – Special Purpose Entities*. The core Principle that a consolidated entity presents a parent and its subsidiaries as if they are a single economic entity remains unchanged, as do the mechanics of

consolidation. However, the standard introduces a single definition of control that applies to all entities. It focuses on the need to have both power and rights or exposure to variable returns. Power is the current ability to direct the activities that significantly influence returns. Returns must vary and can be positive, negative or both. Control exists when the investor can use its power to affect the amount of its returns. There is also new guidance on participating and protective rights and on agent/principal relationships. Council does not expect the new standard to have a significant impact on its composition.

AASB 11 introduces a principles based approach to accounting for joint arrangements. The focus is no longer on the legal structure of joint arrangements, but rather on how rights and obligations are shared by the parties to the joint arrangement. Based on the assessment of rights and obligations, a joint arrangement will be classified as either a joint operation or a joint venture. Joint ventures are accounted for using the equity method, and the choice to proportionately consolidate will no linger be permitted. Parties to a joint operation will account their share of revenues, expenses, assets and liabilities in much the same way as under the previous standard. AASB also provides guidance for parties that participate in joint arrangements but do not share joint control. As at 30 June 2012 Council has not entered into any joint arrangements.

AASB 12 sets out the required disclosures for entities reporting under the two new standards, AASB 10 and AASB 11, and replaces the disclosure requirements currently found in AASB 127 and AASB 128.

Amendments to AASB 128 provides clarification that an entity continues to apply the equity method and does not remeasure its retained interest as part of ownership changes where a joint venture becomes an associate , and vice versa. The amendments also introduce a "partial disposal" concept.

Council does not expect to adopt the new standards before their operative date. They would therefore be first applied in the financial statements for the annual reporting period ending 30 June 2014.

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

# (*iii*) AASB 13 Fair Value Measurement and AASB 2011-8 Amendments to Australian Accounting Standards arising from AASB 13 (effective 1 January 2013)

AASB 13 was released in September 2011. It explains how to measure fair value and aims to enhance fair value disclosures. Council has yet to determine which, if any, of its current measurement techniques will have to change as a result of the new guidance. It is therefore not possible to state the impact, if any, of the new rules on any of the amounts recognised in the financial statements. However, application of the new standard will impact the type of information disclosed in the notes to the financial statements. Council does not intend to adopt the new standard before its operative date, which means that it would be first applied in the annual reporting period ending 30 June 2014.

(*iv*) Revised AASB 119 Employee Benefits, AASB 2011-10 Amendments to Australian Accounting Standards arising from AASB 119 (September 2011) and AASB 2011-11 Amendments to AASB 119 (September 2011) arising from Reduced Disclosure Requirements (effective 1 January 2013)

In September 2011, the AASB released a revised standard on accounting for employee benefits. It requires the recognition of all re-measurements of defined benefit liabilities/assets immediately in other comprehensive income (removal of the so-called 'corridor' method) and the calculation of a net interest expense or income by applying the discount rate to the net defined benefit liability or asset. This replaces the expected return on plan assets that is currently included in profit or loss. The standard also introduces a number of additional disclosures for defined benefit liabilities/assets and could affect the timing of the recognition of termination benefits. The amendments will have to be implemented retrospectively. Council does not recognise defined benefit assets and liabilities for the reasons set out in Note 1 (r) (iii) and so these changes will not have an impact on its reported results.

There are no other standards that are not yet effective and that are expected to have a material impact on the entity in the current or future reporting periods and on foreseeable future transactions.

### (x) Intangible Assets

### IT development and software

Costs incurred in developing products or systems and costs incurred in acquiring software and licenses that will contribute to future period financial benefits through revenue generation and/or cost reduction are capitalised to software and systems.

Costs capitalised include external direct costs of materials and service, direct payroll and payroll related costs of employees' time spent on the project.

Amortisation is calculated on a straight line bases over periods generally ranging from 3 to 10 years.

IT development costs include only those costs directly attributable to the development phase and are only recognised following completion of technical feasibility and where Council has an intention and ability to use the asset.

### (y) Crown Reserves

Crown Reserves under Council's care and control are recognised as assets of the Council.

While ownership of the reserves remains with the Crown, Council retains operational control of the reserves and is responsible for their maintenance and use in accordance with the specific purposes to which the reserves are dedicated.

Improvements on Crown Reserves are also recorded as assets, while maintenance costs incurred by Council and revenues relating to the reserves are recognised within Council's Income Statement.

Representations from both State and Local Government are being sought to develop a consistent accounting treatment across both tiers of government.

### (z) Rural Fire Service assets

Under section 119 of the Rural Fires Act 1997, "all fire fighting equipment purchased or constructed wholly or from money to the credit of the Fund is to be vested in the council of the area for or on behalf of which the fire fighting equipment has been purchased or constructed".

### Notes to the Financial Statements

for the financial year ended 30 June 2012

### Note 1. Summary of Significant Accounting Policies (continued)

At present, the accounting for such fire fighting equipment is not treated in a consistent manner across all Councils.

Until such time as discussions on this matter have concluded and the legislation changed, Council will continue to account for these assets as it has done so in previous years, which is to incorporate some assets, their values and depreciation charges within these Financial Reports including land, buildings, plant & vehicles.

### (aa) Taxes

The Council is exempt from both Commonwealth Income Tax and Capital Gains Tax.

Council does however have to comply with both Fringe Benefits Tax and Goods and Services Tax (GST).

### Goods & Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flows.

### (ab) Disclaimer

Nothing contained within this report may be taken to be an admission of any liability to any person under any circumstance.

Notes to the Financial Statements for the financial year ended 30 June 2012

## Notes

<sup>(1)</sup> Refer Notes 6-8 inclusive.

Also excludes any Real Estate & Land for resale not expected to be sold in the next 12 months

<sup>(2)</sup> Refer to Note 10(a).

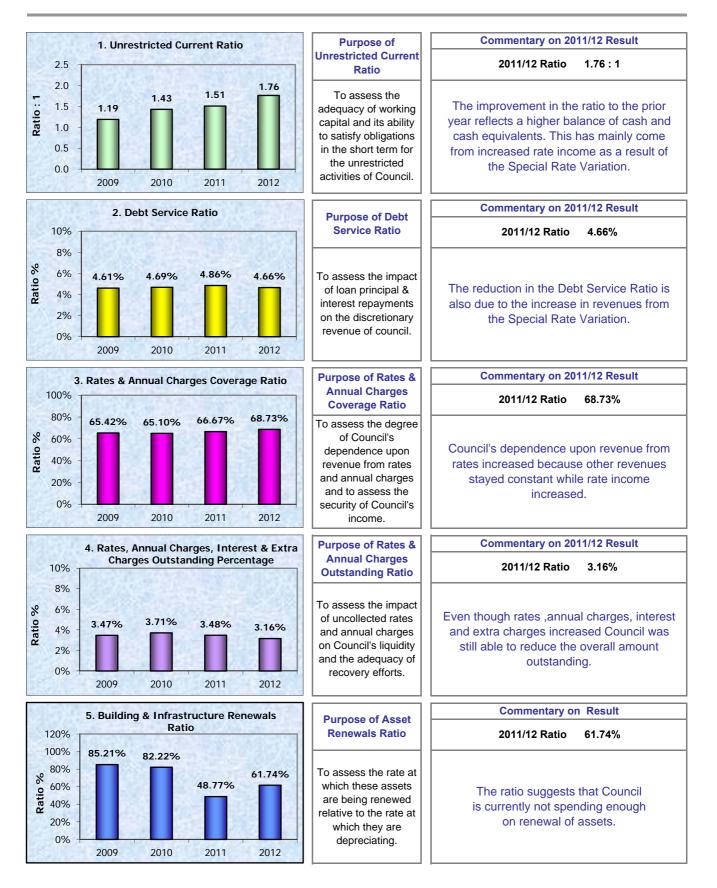

<sup>(3)</sup> Refer to Note 10(a)(ii) - excludes all payables & provisions not expected to be paid in the next 12 months (incl. ELE).

<sup>(4)</sup> Asset Renewals represent the replacement &/or refurbishment of existing assets to an equivalent capacity/performance as opposed to the acquisition of new assets (or the refurbishment of old assets) that increases capacity/performance. Asset Renewals include building and infrastructure assets only.

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 13a(ii). Statement of Performance Measurement - Graphs (Consolidated)

Notes to the Financial Statements for the financial year ended 30 June 2012

## Note 14. Investment Properties

## \$ '000

Council has not classified any Land or Buildings as "Investment Properties"

## Note 15. Financial Risk Management

## **Risk Management**

Council's activities expose it to a variety of financial risks including (1) price risk, (2) credit risk, (3) liquidity risk and (4) interest rate risk.

The Council's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by Council's Finance Section under policies approved by the Council.

A comparison by category of the carrying amounts and fair values of Council's Financial Assets & Financial Liabilities recognised in the financial statements is presented below.

	Carryi	ng Value	Fair V	alue
	2012	2011	2012	2011
Financial Assets				
Cash and Cash Equivalents	16,657	19,190	16,657	19,190
Investments				
- "Designated At Fair Value on Initial Recognition"	4,833	6,537	4,833	6,537
- "Held to Maturity"	19,500	8,000	19,500	8,000
Receivables	5,570	5,821	5,570	5,821
Total Financial Assets	46,560	39,548	46,560	39,548
Financial Liabilities				
Payables	8,619	8,578	8,619	8,578
Loans / Advances	16,167	19,751	15,528	18,586
Total Financial Liabilities	24,786	28,329	24,147	27,164

Fair Value is determined as follows:

- Cash & Cash Equivalents, Receivables, Payables are estimated to be the carrying value which approximates mkt value.
- Borrowings & Held to Maturity Investments are based upon estimated future cash flows discounted by the current market interest rates applicable to assets & liabilities with similar risk profiles, unless quoted market prices are available.
- Financial Assets classified (i) **"at fair value through profit & loss"** or (ii) **Available for Sale** are based upon quoted market prices (in active markets for identical investments) at the reporting date or independent valuation.

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 15. Financial Risk Management (continued)

## \$ '000

## (a) Fair Value Measurements

The fair value of financial assets and financial liabilities must be estimated in accordance with Accounting Standards for either recognition and measurement requirements or for disclosure purposes.

AASB 7 Financial Instruments: Disclosures, requires the disclosure of how fair valuations have been arrived at for all financial assets and financial liabilities that have been measured at fair value.

Arriving at fair values for financial assets & liabilities can be broken up into 3 distinct measurement hierarchies:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices)

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs)

The following table presents the financial assets and financial liabilities that have been measured & recognised at fair values:

2012 Financial Assets Investments	Level 1	Level 2	Level 3	Total
- "Designated At Fair Value on Initial Recognition" Total Financial Assets	<u> </u>	4,833 <b>4,833</b>	<u> </u>	4,833 <b>4,833</b>
2011 Financial Assets Investments	Level 1	Level 2	Level 3	Total
- "Designated At Fair Value on Initial Recognition" Total Financial Assets	-	6,537 <b>6,537</b>	-	6,537 <b>6,537</b>

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 15. Financial Risk Management (continued)

## \$ '000

## (b) Cash & Cash Equivalents, Financial assets 'at fair value through the profit & Loss' "Available-for-sale" financial assets & "Held-to-maturity" Investments

Council's objective is to maximise its return on cash & investments whilst maintaining an adequate level of liquidity and preserving capital.

Council's Finance area manages the Cash & Investments portfolio with the assistance of independent advisors.

Council has an Investment Policy which complies with the Local Government Act & Minister's Investment Order. This Policy is regularly reviewed by Council and it's staff and an Investment Report is tabled before Council on a monthly basis setting out the portfolio breakup and its performance.

The major risk associated with Investments is price risk - the risk that the capital value of Investments may fluctuate due to changes in market prices, whether there changes are caused by factors specific to individual financial instruments or their issuers or are caused by factors affecting similar instruments traded in a market.

Cash & Investments are also subject to interest rate risk - the risk that movements in interest rates could affect returns and income.

A further risk associated with Cash & Investments is credit risk - the risk that the investment counterparty) will not complete their obligations particular to a financial instrument, resulting in a financial loss to Council - be it of a capital or income nature.

Council manages these risks (amongst other measures) by diversifying its portfolio and only purchasing investments with high credit ratings or capital guarantees.

Council also seeks advice from independent advisers before placing any funds in Cash Equivalents & Investments.

The following represents a summary of the sensitivity of Council's Income Statement and Accumulated Surplus (for the reporting period) due to a change in either the price of a financial asset or the interest rates applicable.

It is assumed that the change in interest rates would have been constant throughout the reporting period.

	Increase of Val	ues/Rates	Decrease of Val	lues/Rates
2012	Profit	Equity	Profit	Equity
Possible impact of a 10% movement in Market Values	483	483	(483)	(483)
Possible impact of a 1% movement in Interest Rates	362	362	(362)	(362)
2011				
Possible impact of a 10% movement in Market Values	654	654	(654)	(654)
Possible impact of a 1% movement in Interest Rates	271	271	(271)	(271)

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 15. Financial Risk Management (continued)

## \$ '000

## (c) Receivables

Council's major receivables comprise (i) Rates & Annual charges and (ii) User Charges & Fees.

The major risk associated with these receivables is credit risk - the risk that debts due and payable to Council may not be repaid in full.

Council manages this risk by monitoring outstanding debt and employing stringent debt recovery procedures. It also encourages ratepayers to pay their rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to secure a charge over the land relating to the debts - that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates & annual charges at higher than market rates which further encourages the payment of debt.

There are no significant concentrations of credit risk, whether through exposure to individual customers, specific industry sectors and/or regions.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subjected to a re-negotiation of repayment terms.

A profile of Council's receivables credit risk at balance date follows:

	2012	2012	2011	2011
	Rates &		Rates &	
	Annual	Other	Annual	Other
(i) Ageing of Receivables	Charges	Receivables	Charges	Receivables
Current (not yet overdue)	-	2,751	-	2,853
Overdue	2,381	591	2,437	632
	2,381	3,342	2,437	3,485
(ii) Movement in Provision for Impairment of Receivables			2012	2011
Balance at the beginning of the year			101	68
+ new provisions recognised during the year			98	55
- amounts already provided for & written off this year	ar		(46)	(22)
Balance at the end of the year			153	101

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 15. Financial Risk Management (continued)

## \$ '000

## (d) Payables & Borrowings

Payables & Borrowings are both subject to liquidity risk - the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due.

Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer.

Payment terms can (in extenuating circumstances) also be extended & overdraft facilities utilised as required.

The contractual undiscounted cash outflows (ie. principal and interest) of Council's Payables & Borrowings are set out in the Liquidity Table below:

\$ '000	Subject							Total	Actual
	to no			payal	ole in:			Cash	Carrying
	maturity	≤1 Year	1-2 Yrs	2-3 Yrs	3-4 Yrs	4-5 Yrs	> 5 Yrs	Outflows	Values
2012									
Trade/Other Payables	166	8,453	-	-	-	-	-	8,619	8,619
Loans & Advances		4,893	4,880	4,877	1,308	1,143	2,334	19,435	16,167
Total Financial Liabilities	166	13,346	4,880	4,877	1,308	1,143	2,334	28,054	24,786
2011									
Trade/Other Payables	132	8,446	-	-	-	-	-	8,578	8,578
Loans & Advances		4,916	4,893	4,880	4,876	1,308	3,478	24,351	19,751
Total Financial Liabilities	132	13,362	4,893	4,880	4,876	1,308	3,478	32,929	28,329

Borrowings are also subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs & debt servicing requirements. Council manages this risk through the diversification of borrowing types, maturities & interest rate structures.

The following interest rates were applicable	20	12	20	11
to Council's Borrowings at balance date:	Carrying	Average	Carrying	Average
	Value	Interest Rate	Value	Interest Rate
Trade/Other Payables	8,619	0.0%	8,578	0.0%
Loans & Advances - Fixed Interest Rate	16,167	7.0%	19,751	6.9%
	24,786		28,329	

## Notes to the Financial Statements

## Note 16. Material Budget Variations

## \$ '000

Council's Original Financial Budget for 11/12 was adopted by the Council on 23 March 2011.

While the Income Statement included in this General Purpose Financial Report must disclose the Original Budget adopted by Council, the Local Government Act requires Council to review its Financial Budget on a Quarterly Basis, so that it is able to manage the various variations between actuals versus budget that invariably occur throughout the year.

This Note sets out the details of MATERIAL VARIATIONS between Council's Original Budget and its Actual results for the year as per the Income Statement - even though such variations may have been adjusted for during each Quarterly Budget Review.

## Note that for Variations\* of Budget to Actual :

Material Variations represent those variances that amount to **10%** or more of the original budgeted figure.  $\mathbf{F}$  = Favourable Budget Variation,  $\mathbf{U}$  = Unfavourable Budget Variation

\$ '000	2012 Budget	2012 Actual	2 Var	012 iance*

Planning legal expenses under budget - 195

Notes to the Financial Statements for the financial year ended 30 June 2012

# Note 17. Statement of Developer Contributions

## 000.\$

Council recovers contributions, raises levies & enters into planning agreements on development works that are subject to a development consent issued by Council. All contributions must be spent/utilised for the specific purpose they were levied and any interest applicable to unspent funds must be attributed to remaining funds. The following tables detail the receipt, interest and use of the above contributions & levies and the value of all remaining funds which are "restricted" in their future use.

SUMMARY OF CONTRIBUTIONS & LEVIES	:VIES								Projections		Cumulative

### Financial Statements 2012

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 18. Contingencies & Other Assets/Liabilities Not Recognised

## \$ '000

The following assets and liabilities do not qualify for recognition in the Balance Sheet, but their knowledge & disclosure is considered relevant to the users of Council's Financial Report.

## LIABILITIES NOT RECOGNISED:

## 1. Guarantees

## (i) Defined Benefit Superannuation Contribution Plans

Council participates in an employer sponsored Defined Benefit Superannuation Scheme, and makes contributions as determined by the Superannuation Scheme's Trustees.

Member Councils bear responsibility of ensuring there are sufficient funds available to pay out the required benefits as they fall due.

The Schemes most recent full actuarial review indicated that the Net Assets of the Scheme were not sufficient to meet the accrued benefits of the Schemes Defined Benefit member category with member Councils required to make significantly higher contributions in future years.

The Local Government Superannuation Scheme however is unable to provide Council with an accurate estimate of its share of the net deficit and accordingly Council has not recorded any net liability from it's Defined Benefit Scheme obligations in accordance with AASB 119. The share of the deficit that can be broadly attributed to Hornsby Council was estimated to be in the order of \$5,340,389 as at 30 June 2012.

Future contributions made to the defined benefit scheme to rectify the net deficit position will be recognised as an expense when they become payable - similar to the accounting for Defined Contributions Plans.

## (ii) Statewide Limited

Council is a member of Statewide Mutual, a mutual pool scheme providing liability insurance to Local Government.

Membership includes the potential to share in either the net assets or liabilities of the fund depending on its past performance. Council's share of the Net Assets or Liabilities reflects Councils contributions to the pool and the result of insurance claims within each of the Fund Years.

The future realisation and finalisation of claims incurred but not reported to 30/6 this year may result in future liabilities or benefits as a result of past events that Council will be required to fund or share in respectively.

## (iii) StateCover Limited

Council is a member of StateCover Mutual Limited and holds a partly paid share in the entity.

StateCover is a company providing workers compensation insurance cover to the NSW Local Government Industry and specifically Council.

Council has a contingent liability to contribute further equity in the event of the erosion of the Company's capital base as a result of the company's past performance and/or claims experience or as a result of any increased prudential requirements from APRA.

These future equity contributions would be required to maintain the company's minimum level of Net Assets in accordance with its Licence Requirements.

## (iv) Other Guarantees

Council has provided no other Guarantees other than those listed above.

Notes to the Financial Statements for the financial year ended 30 June 2012

## Note 18. Contingencies & Other Assets/Liabilities Not Recognised (continued)

## \$ '000

## LIABILITIES NOT RECOGNISED (continued):

## 2. Other Liabilities

## (i) Third Party Claims

The Council is involved from time to time in various claims incidental to the ordinary course of business including claims for damages relating to its services.

Council believes that it is appropriately covered for all claims through its Insurance Coverage and does not expect any material liabilities to eventuate.

## (ii) S94 Plans

Council levies Section 94/94A Contributions upon various development across the Council area through the required Contributions Plans.

As part of these Plans, Council has received funds for which it will be required to expend the monies in accordance with those Plans.

As well, these Plans indicate proposed future expenditure to be undertaken by Council, which will be funded by making levies and receipting funds in future years or where a shortfall exists by the use of Council's General Funds.

These future expenses do not yet qualify as liabilities as of the Reporting Date, but represent Councils intention to spend funds in the manner and timing set out in those Plans.

## (iii) Potential Land Acquisitions due to Planning Restrictions imposed by Council

Council has classified a number of privately owned land parcels as Local Open Space or Bushland.

As a result, where notified in writing by the various owners, Council will be required to purchase these land parcels.

## (iii) Potential Land Acquisitions due to Planning Restrictions imposed by Council (continued)

At reporting date, reliable estimates as to the value of any potential liability (& subsequent land asset) from such potential acquisitions has not been possible.

## (iv) Hornsby Quarry Site

Council has resolved to fill the old CSR Hornsby Quarry with virgin excavated natural material and has engaged consultants to seek appropriate planning and environmental approvals. In the absence of reliably estimated costs no provision has been made in Council's books.

## **ASSETS NOT RECOGNISED:**

## (i) Land Under Roads

As permitted under AASB 1051, Council has elected not to bring to account Land Under Roads that it owned or controlled up to & including 30/6/08.

## (ii) Infringement Notices/Fines

Fines & Penalty Income, the result of Council issuing Infringement Notices is followed up and collected by the Infringement Processing Bureau.

Councils Revenue Recognition policy for such income is to account for it as revenue on receipt.

Accordingly, at Year End, there is a potential asset due to Council representing issued but unpaid Infringement Notices.

Due to the limited information available on the status, value and duration of outstanding Notices, Council is unable to determine the value of outstanding income.

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 19. Controlled Entities, Associated Entities & Interests in Joint Ventures

\$ '000

Council has no interest in any Controlled Entities, Associated Entities or Joint Ventures.

## Note 20. Equity - Retained Earnings and Revaluation Reserves

\$ '000	Notes	Actual 2012	Actual 2011
a. Retained Earnings			
Movements in Retained Earnings were as follows:			
Balance at beginning of Year (from previous years audited accounts)		1,022,465	1,785,628
a. Other Comprehensive Income - Correction of error		300	(756,819)
b. Net Operating Result for the Year		(348)	(6,393)
c. Transfers between Equity		3,193	49
Balance at End of the Reporting Period		1,025,610	1,022,465
b. Reserves			
(i) Reserves are represented by:			
- Infrastructure, Property, Plant & Equipment Revaluation Reserve		418,419	421,612

- Balance at End of Year		418,419	421,612
TOTAL VALUE OF RESERVES		418,419	421,612
(iii). Nature & Purpose of Reserves			
Infrastructure, Property, Plant & Equipment Revaluation Reserve			
material activity, reporty, rant a Equipment retraination resource			

- The Infrastructure, Property, Plant & Equipment Revaluation Reserve is used to record increments/decrements of Non Current Asset values due to their revaluation.

## c. Correction of Error/s relating to a Previous Reporting Period

Council made no correction of errors during the current reporting period.

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 20. Equity - Retained Earnings and Revaluation Reserves (continued)

\$ '000	Notes	Actual 2012	Actual 2011
d. Voluntary Changes in Accounting Policies			
Adjustments relating to the 2010/11 Financial Year			
The policy for revaluation of community land has changed. Community Land was previously valued using an average value square metre on rateable property as determined by the Valuer Community land has now been revalued using specific Valuer O values where available and an average of these used to calcula psm rate to use in valuing those without a VG valuation.	General. General		
It has been deemed to be impractical to restate prior year numb	pers.	-	(756,819)

## Note 21. Financial Result & Financial Position by Fund

Council utilises only a General Fund for its operations.

## Note 22. "Held for Sale" Non Current Assets & Disposal Groups

Council did not classify any Non Current Assets or Disposal Groups as "Held for Sale".

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 23. Events occurring after Balance Sheet Date

## \$ '000

Events that occur after the reporting date of 30 June 2012, up to and including the date when the financial statements are "authorised for issue" have been taken into account in preparing these statements.

Council has adopted the date of receipt of the Auditors' Report as the appropriate "authorised for issue" date relating to these General Purpose Financial Statements.

## Accordingly, the "authorised for issue" date is 17/10/12.

Events that occur after the Reporting Date represent one of two types:

(i) Events that have provided evidence of conditions that existed at the Reporting Date

These financial statements (and the figures therein) incorporate all "adjusting events" that provided evidence of conditions that existed at 30 June 2012.

## (ii) Events that have provided evidence of conditions that arose after the Reporting Date

These financial statements (& figures therein) do not incorporate any "non adjusting events" that have occurred after 30 June 2012 and which are only indicative of conditions that arose after 30 June 2012.

## Council is unaware of any material or significant "non adjusting events" that should be disclosed.

## Note 24. Discontinued Operations

Council has not classified any of its Operations as "Discontinued".

## Notes to the Financial Statements

for the financial year ended 30 June 2012

## Note 25. Intangible Assets

## \$ '000

Intangible Assets represent identifiable non-monetary asset without physical substance.

Intangible Assets are as follows;	Actual 2012 Carrying Amount	Actual 2011 Carrying Amount
Opening Values:		
Gross Book Value (1/7/11)	8,608	8,608
Accumulated Amortisation (1/7/11)	(6,336)	(5,475)
Accumulated Impairment (1/7/11)		-
Net Book Value - Opening Balance	2,272	3,133
Movements for the year		
- Amortisation charges	(861)	(861)
Closing Values:		
Gross Book Value (30/6/12)	8,608	8,608
Accumulated Amortisation (30/6/12)	(7,197)	(6,336)
Accumulated Impairment (30/6/12)	-	-
TOTAL INTANGIBLE ASSETS - NET BOOK VALUE	1,411	2,272
<sup>1.</sup> The Net Book Value of Intangible Assets represent:		
- Software (representing the "Council Online" software development)	1,411	2,272
	1,411	2,272

## Note 26. Reinstatement, Rehabilitation & Restoration Liabilities

Council has no outstanding obligations to make, restore, rehabilitate or reinstate any of its assets/operations.

## Independent auditor's report to the Council – s417(2) Report on the general purpose financial statements

## **Report on the financial statements**

We have audited the accompany financial statements of **Hornsby Shire Council** (the Council), which comprise the balance sheet as at 30 June 2012 and the income statement, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, accompanying notes to the financial statements and the Statement by Councillors and Management in the approved form as required by Section 413(2) of the Local Government Act 1993.

## Councillors' responsibility for the financial statements

The Councillors of the Council are responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Local Government Act 1993 and for such internal control as the Councillors determine is necessary to enable the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Councillors, as well as evaluating the overall presentation of the financial statements.

When this audit report is included in an Annual Report, our procedures include reading the other information in the Annual Report to determine whether it contains any material inconsistencies with the financial statements.

Our audit responsibility does not extend to the Original Budget Figures included in the Income Statement, Statement of Cash Flows and the Original Budget disclosures in notes 2(a) and 16 and the Projections disclosed in note 17 to the financial statements, nor the attached Special Schedules, and accordingly, we express no opinion on them.

......

Liability limited by a scheme approved under Professional Standards Legislation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## Auditor's opinion:

In our opinion:

- (a) the Council's accounting records have been kept in accordance with the requirements of the Local Government Act 1993, Chapter 13 part 3 Division 2 (the Division); and
- (b) the financial statements:
  - (i) have been presented, in all material respects, in accordance with the requirements of this Division
  - (ii) are consistent with the Council's accounting records
  - (iii) present fairly, in all material respects, the Council's financial position as of 30 June 2012 and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards
- (c) all information relevant to the conduct of the audit has been obtained; and
- (d) there are no material deficiencies in the accounting records or financial statements that have come to light during the course of the audit.

PricewaterhouseCoopers

19 October,

Sydney 2012

The Mayor Councillor Steve Russell Hornsby Shire Council DX9655 HORNSBY

Dear Councillor Russell

## Report on the conduct of the audit for year ended 30 June 2012 - Section 417(3)

We have completed our audit of the financial reports of the Hornsby Shire Council for the year ended 30 June 2012, in accordance with Section 415 of the Local Government Act 1993.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial reports are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial reports, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial reports are presented fairly in accordance with Australian Accounting Standards as well as statutory requirements so as to present a view which is consistent with our understanding of the Council's financial position, the results of its operations and its cash flows.

This report should be read in conjunction with our audit opinion on the general purpose financial statements provided under Section 417(2) of the Local Government Act 1993.

## **Operating Result**

Council's operating result improved from a deficit of \$6.4 million in the previous year to a deficit of \$348k in the current period. The operating result before capital grants and contributions was a deficit of \$4 million compared with \$10.4 million in the previous period.

## **Cash** Position

Council's overall cash position increased from \$34 million to \$41 million during the period under review. The following table highlights the composition of cash.

	June 2011 \$m	June 2012 \$m
Externally restricted	16	19
Internally restricted	14	18
Unrestricted	4	4
Total	34	41

**PricewaterhouseCoopers, ABN 52 780 433 757** Darling Park Tower 2, 201 Sussex Street, GPO BOX 2650, SYDNEY NSW 1171 T: +61 2 8266 0000, F: +61 2 8266 9999, www.pwc.com.au

## Working Capital

Council's net current assets increased from \$14 million to \$21 million during the period under review.

The value of net current assets needs to be adjusted in order to establish Council's available working capital.

	June 2011 \$'000	June 2012 \$'000
Net current assets	14,101	21,362
Less:		
External restrictions	15,379	18,576
Internal restrictions	13,958	18,484
	(15,236)	(15,698)
Add:		
Current Liabilities to be funded from		
other sources	15,538	16,327
Available Working Capital	302	629

The effective unrestricted or available working capital upon which Council could build its 2012/13 budget was \$629k.

## **Performance Indicators**

The financial reports disclose a number of indicators in Note 13 and these are detailed below:

	June 2011 %	June 2012 %
Unrestricted Current Ratio	151	176
Debt Service Ratio	4.9	4.7
Rate Coverage Ratio	67	69
Rates Outstanding Ratio	3.5	3.2
Asset Renewals Ratio	49	62

The Unrestricted Current Ratio improved and is above the accepted industry benchmark of 100%.

Council's Debt Service Ratio improved to 4.7% of revenue and remained below the industry benchmark of 10%.

The Rate Coverage Ratio increased to 69% of total revenue reflecting the special rating variation received for the year.

The Rates Outstanding Ratio improved to 3.2% of collectibles and remained better than the accepted industry benchmark of 5%.

The Asset Renewals Ratio indicates that Council is renewing key infrastructure at 62% of the rate at which they are depreciating.

Council is considered to be in a sound and stable financial position. All indicators remain better than the accepted industry benchmarks.

## General

The books of accounts and records inspected by us have been kept in an accurate and conscientious manner.

We thank the General Manager and his staff for the co-operation and courtesy extended to us during the course of our audit.

Yours faithfully

## Hornsby Shire Council Special purpose financial statements

for the year ended 30 June 2012

### Special Purpose Financial Statements

for the financial year ended 30 June 2012

Contents	Page
1. Statement by Councillors & Management	2
2. Special Purpose Financial Statements:	
<ul> <li>Income Statement of Water Supply Business Activity</li> <li>Income Statement of Sewerage Business Activity</li> <li>Income Statement of Other Business Activities</li> </ul>	n/a n/a 3
<ul> <li>Balance Sheet of Water Supply Business Activity</li> <li>Balance Sheet of Sewerage Business Activity</li> <li>Balance Sheet of Other Business Activities</li> </ul>	n/a n/a 6
3. Notes to the Special Purpose Financial Statements	9

### 4. Auditor's Report

13

### **Background**

- (i) These Special Purpose Financial Statements have been prepared for the use by both Council and the Division of Local Government in fulfilling their requirements under National Competition Policy.
- (ii) The principle of competitive neutrality is based on the concept of a "level playing field" between persons/entities competing in a market place, particularly between private and public sector competitors.

Essentially, the principle is that government businesses, whether Commonwealth, State or Local, should operate without net competitive advantages over other businesses as a result of their public ownership.

(iii) For Council, the principle of competitive neutrality & public reporting applies only to declared business activities.

These include (a) those activities classified by the Australian Bureau of Statistics as business activities being water supply, sewerage services, abattoirs, gas production and reticulation and (b) those activities with a turnover of over \$2 million that Council has formally declared as a Business Activity (defined as Category 1 activities).

(iv) In preparing these financial statements for Council's self classified Category 1 businesses and ABS defined activities, councils must (a) adopt a corporatisation model and (b) apply full cost attribution including tax equivalent regime payments & debt guarantee fees (where the business benefits from councils borrowing position by comparison with commercial rates).

### **Special Purpose Financial Statements**

for the financial year ended 30 June 2012

### Statement by Councillors and Management

made pursuant to the Local Government Code of Accounting Practice and Financial Reporting

### The attached Special Purpose Financial Statements have been prepared in accordance with:

- The NSW Government Policy Statement "Application of National Competition Policy to Local Government".
- The Division of Local Government Guidelines "Pricing & Costing for Council Businesses A Guide to Competitive Neutrality".
- The Local Government Code of Accounting Practice and Financial Reporting.
- The NSW Office of Water (Department of Environment, Climate Change and Water) Guidelines -"Best Practice Management of Water and Sewerage".

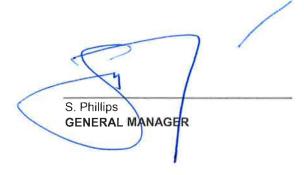

### To the best of our knowledge and belief, these Financial Statements:

- Present fairly the Operating Result and Financial Position for each of Council's declared Business Activities for the year, and
- Accord with Council's accounting and other records.

### We are not aware of any matter that would render these Statements false or misleading in any way.

Signed in accordance with a resolution of Council made on 17 October 2012.

S. Russell MAYOR

Jaw R. Browne COUNCILLO

G. Magus RESPONSIBLE ACCOUNTING OFFICER

### Special Purpose Financial Statements for the financial year ended 30 June 2012

### Contents of the Notes accompanying the Financial Statements

Note	Details	Page
1	Summary of Significant Accounting Policies	10
2	Water Supply Business Best Practice Management disclosure requirements	n/a
3	Sewerage Business Best Practice Management disclosure requirements	n/a

### Notes to the Special Purpose Financial Statements for the financial year ended 30 June 2012

### Note 1. Significant Accounting Policies

These financial statements are a Special Purpose Financial Statements (SPFS) prepared for use by Council and the Division of Local Government.

For the purposes of these statements, the Council's business activities (reported herein) are not reporting entities.

These special purpose financial statements, unless otherwise stated, have been prepared in accordance with;

- applicable Australian Accounting Standards,
- other authoritative pronouncements of the Australian Accounting Standards Board,
- Australian Accounting Interpretations,
- the Local Government Act and Regulation, and
- the Local Government Code of Accounting Practice and Financial Reporting.

The statements are also prepared on an accruals basis. They are based on historic costs and do not take into account changing money values nor current values of non-current assets (except where specifically stated).

Certain taxes and other costs (appropriately described) have been imputed for the purposes of the National Competition Policy.

### **National Competition Policy**

Council has adopted the principle of 'competitive neutrality' to its business activities as part of the national competition policy which is being applied throughout Australia at all levels of government.

The framework for its application is set out in the June 1996 Government Policy statement on the *"Application of National Competition Policy to Local Government"*.

The *"Pricing & Costing for Council Businesses A Guide to Competitive Neutrality"* issued by the Division of Local Government in July 1997 has also been adopted.

The pricing & costing guidelines outline the process for identifying and allocating costs to activities and provide a standard of disclosure requirements. These disclosures are reflected in Council's pricing and/or financial reporting systems and include taxation equivalents; council subsidies; return on investments (rate of return); and dividends paid.

### **Declared Business Activities**

In accordance with *Pricing & Costing for Council Businesses - A Guide to Competitive Neutrality,* Council has declared that the following are to be considered as business activities:

### Category 1

(where gross operating turnover is over \$2 million)

- a. Nurseries & Preschools Operation of children's nurseries & preschools
- b. Aquatic & Sports Centres Operation of swimming pools.

Operation of swimming pools, gymnasiums & indoor sports centres

### Category 2

(where gross operating turnover is less than \$2 million)

- a. Commercial Waste Service Services provided for the collection of commercial waste and sullage
- b. Property Services

Rental of Council properties to 3rd parties for residential & commercial purposes

c. Development Assessments Development assessment & inspection services

### **Monetary Amounts**

Amounts shown in the financial statements are in Australian currency and rounded to the nearest one thousand dollars.

### (i) Taxation Equivalent Charges

Council is liable to pay various taxes and financial duties in undertaking its business activities. Where this is the case, they are disclosed in these statements as a cost of operations just like all other costs.

### Notes to the Special Purpose Financial Statements for the financial year ended 30 June 2012

### Note 1. Significant Accounting Policies (continued)

However, where Council is exempt from paying taxes which are generally paid by private sector businesses (such as income tax), equivalent tax payments have been applied to all Council nominated business activities and are reflected in these financial statements.

For the purposes of disclosing comparative information relevant to the private sector equivalent, the following taxation equivalents have been applied to all council nominated business activities (this does not include council's non-business activities):

### **Notional Rate Applied %**

### Corporate Income Tax Rate - 30%

<u>Land Tax</u> – The first **\$396,000** of combined land values attracts **0%**. From \$396,001 to \$2,421,000 the rate is **1.6% + \$100**. For the remaining combined land value that exceeds \$2,421,000, a premium marginal rate of **2.0%** applies.

<u>Payroll Tax</u> – **5.45%** on the value of taxable salaries and wages in excess of \$678,000.

### **Income Tax**

An income tax equivalent has been applied on the profits of the business.

Whilst income tax is not a specific cost for the purpose of pricing a good or service, it needs to be taken into account of in terms of assessing the rate of return required on capital invested.

Accordingly, the return on capital invested is set at a pre-tax level (gain/(loss) from ordinary activities before capital amounts) as would be applied by a private sector competitor – that is, it should include a provision equivalent to the corporate income tax rate, currently 30%.

Income Tax is only applied where a positive gain/(loss) from ordinary activities before capital amounts has been achieved.

Since this taxation equivalent is notional - that is, it is payable to the "Council" as the owner of business operations, it represents an internal payment and has no effect on the operations of the council. Accordingly, there is no need for disclosure of internal charges in Council's GPFS. The rate applied of 30% is the equivalent company tax rate prevalent as at balance date. No adjustments have been made for variations that have occurred during the year.

### **Local Government Rates & Charges**

A calculation of the equivalent rates and charges payable on all Category 1 businesses has been applied to all land assets owned or exclusively used by the business activity.

### Loan & Debt Guarantee Fees

The debt guarantee fee is designed to ensure that council business activities face "true" commercial borrowing costs in line with private sector competitors.

In order to calculate a debt guarantee fee, council has determined what the differential borrowing rate would have been between the commercial rate and the council's borrowing rate for its business activities.

### (ii) Subsidies

Government policy requires that subsidies provided to customers and the funding of those subsidies must be explicitly disclosed.

Subsidies occur where council provides services on a less than cost recovery basis. This option is exercised on a range of services in order for council to meet its community service obligations.

Accordingly, Subsidies disclosed (in relation to National Competition Policy) represents the difference between revenue generated from 'rate of return' pricing and revenue generated from prices set by the council in any given financial year.

The overall effect of subsidies is contained within the Income Statement of Business Activities.

Notes to the Special Purpose Financial Statements for the financial year ended 30 June 2012

Note 1. Significant Accounting Policies (continued)

### (iii) Return on Investments (Rate of Return)

The Policy statement requires that councils with Category 1 businesses "would be expected to generate a return on capital funds employed that is comparable to rates of return for private businesses operating in a similar field".

Such funds are subsequently available for meeting commitments or financing future investment strategies.

The Rate of Return on Capital is calculated as follows:

Operating Result before Capital Income + Interest Expense

Written Down Value of I,PP&E as at 30 June

As a minimum, business activities should generate a return equal to the Commonwealth 10 year bond rate which is 3.03% at 30/6/12.

The actual rate of return achieved by each business activity is disclosed at the foot of each respective Income Statement.

### (iv) Dividends

Council is not required to pay dividends to either itself as owner of a range of businesses or to any external entities.

### Independent auditor's report Report on the special purpose financial report

### **Report on the financial report**

We have audited the accompanying financial report, being a special purpose financial report, of **Hornsby Shire Council** (the Council), which comprises the Balance Sheets by Business Activity for the year ended 30 June 2012, the Income Statements by Business Activity for the year then ended, Notes to the financial report for the business activities identified by Council and the Statement by Councillors and Management for Council for the year ended 30 June 2012.

### Councillors' responsibility for the financial report

The Councillors of the Council are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in note 1 to the financial statements which form part of the financial report, are appropriate to meet the requirements of the Local Government Code of Accounting Practice and Financial Reporting. The Councillors' responsibility also includes such internal control as the Councillors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to error or fraud.

### Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Councillors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**PricewaterhouseCoopers, ABN 52 780 433 757** Darling Park Tower 2, 201 Sussex Street, GPO BOX 2650, SYDNEY NSW 1171 T +61 2 8266 0000, F +61 2 8266 9999, www.pwc.com.au

Liability limited by a scheme approved under Professional Standards Legislation.

### Auditor's opinion:

In our opinion, the financial report presents fairly, in all material respects, the financial position by Business Activities of **Hornsby Shire Council** as of 30 June 2012 and its financial performance by Business Activities for the year then ended in accordance with the requirements of those applicable Accounting Standards detailed in Note 1 to the financial report, and the Local Government Code of Accounting Practice and Financial Reporting.

### Basis of Accounting and Restriction on Distribution and Use

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Council's financial reporting responsibilities under the Local Government Code of Accounting Practice and Financial Reporting. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for the Council.

### **Special Schedules**<sup>1</sup>

- Special Schedule No. 1	Net Cost of Services	2
- Special Schedule No. 2(a)	Statement of Long Term Debt (all purposes)	4
- Special Schedule No. 2(b)	Statement of Internal Loans (Sect. 410(3) LGA 1993)	n/a
- Special Schedule No. 3	Water Supply - Income Statement	n/a
- Special Schedule No. 4	Water Supply - Balance Sheet	n/a
- Special Schedule No. 5	Sewerage Service - Income Statement	n/a
- Special Schedule No. 6	Sewerage Service - Balance Sheet	n/a
- Notes to Special Schedules No. 3 & 5		n/a
- Special Schedule No. 7	Condition of Public Works	5
- Special Schedule No. 8	Financial Projections	7

<sup>1</sup> Special Purpose Schedules are not audited.

### **Background**

- (i) These Special Schedules have been designed to meet the requirements of special purpose users such as;
  - the NSW Grants Commission
  - the Australian Bureau of Statistics (ABS),
  - the NSW Office of Water,
  - the Department of Environment, Climate Change and Water, and
  - the Division of Local Government (DLG).
- (ii) The financial data is collected for various uses including;
  - the allocation of Financial Assistance Grants,
  - the incorporation of Local Government financial figures in national statistics,
  - the monitoring of loan approvals,
  - the allocation of borrowing rights, and
  - the monitoring of the financial activities of specific services.

### Special Schedule No. 1 - Net Cost of Services for the financial year ended 30 June 2012

## Special Schedule No. 7 - Condition of Public Works (continued) as at 30 June 2012

0	
0	
0	
Ś	

ASSET CLASS Asset Category	Asset Category	Dep'n. Rate (%)	Dep'n Expense (\$)	Cost	Valuation	Accum. Depreciation Amortisation & Impairment	Carrying Amount (WDV)	mount Asset (WDV) Condition*	Estimated cost to bring up to a satisfactory condition / standard <sup>(1)</sup>	Required <sup>(2)</sup> Annual Maintenance	Current <sup>(3)</sup> Annual Maintenance
		per Note 1	per Note 4	*>>>> >>>>	secces per N	<<<<<<<<>>>>>>>>>>>>>>>>>>>>>>>>>>>>>>	~~~				
<b>Drainage Works</b>	Drainage Works Drainage Infrastructure	1.00%	5,014		484,477	125,160 359,317	359,317	2	I	006	763
	sub total		5,014	•	484,477	125,160	359,317		•	006	763
	TOTAL - ALL ASSETS		16,825	1	1,052,269	307,171 745,098	745,098		8,500	9,658	9,312

### Notes:

- Satisfactory refers to estimated cost to bring the asset to a satisfactory condition as deemed by Council. It does not include any planned enhancements to the existing asset. (1).
  - Required Annual Maintenance is what should be spent to maintain assets in a satisfactory standard. (3). (3).
    - Current Annual Maintenance is what has been spent in the current year to maintain assets.
- Asset Condition "Key" as per the DLG Integrated Planning & Reporting Manual #
- Excellent No work required (normal maintenance) <del>.</del>
  - Good Only minor maintenance work required 2
- Average Maintenance work required ო
- Poor Renewal required 4
- Very Poor Urgent renewal/upgrading required S

### Special Schedule No. 8 - Financial Projections

as at 30 June 2012

\$'000	Actual <sup>[1]</sup> 11/12	<sup>)</sup> Forecast 12/13	Forecast 13/14	Forecast <sup>(3)</sup> 14/15	Forecast <sup>(3)</sup> 15/16

	17,717	13,527	23,339	20,000	19,100

### Notes:

(1) From 11/12 Income Statement.

(2) New Capital Works are major non-recurrent projects, eg new Leisure Centre, new Library, new Swimming pool etc.

(3) If Council has only adopted 3 years of projections then only show 3 years.

(4) Financial Projections should be in accordance with Council's Integrated Planning & Reporting framework.
