

# CAT LIFETIME REGISTRATION AND FEE INFORMATION

The NSW Government require the owners of dogs and cats to pay a lifetime registration fee before their pet is 6 months of age. The purpose of the following information is to help you understand how to register your pet and what fee/s you will need to pay.

## HOW TO REGISTER YOUR PET

You can register your pet by creating a profile on the NSW Office of Local Government website: [petregistry.nsw.gov.au](https://petregistry.nsw.gov.au) and 'claiming' your pet.

*Please ensure you are on this website to pay the lifetime registration fee as there are a number of privately run databases that appear in search engines.*

## ANNUAL PERMIT

In addition to lifetime registration on the 1 July 2020 the NSW Government introduced an annual permit fee for cats not desexed by the age of 4 months.

- If your cat is desexed after 4 months of age, you will need to pay an \$92 annual permit fee for one year only
