REFERRAL OF TRAFFIC MATTER FOR COMMENT OR OBJECTION, IF ANY

---

### **SUMMARY**

This report details the traffic implications of a proposed temporary 'Works Zone' in Railway Parade to accommodate the construction of:

**a two storey centre-based Child Care Centre with basement car parking**

**at: 26 Railway Parade, Hornsby.**

---

**SUBJECT**

Council has received a request from the property owner for a temporary 'Works Zone' (**WKZONE/4/2025**) at the front boundary of: **26 Railway Parade, Hornsby**.

The building works project is in accordance with:

**Approved DA/554/2023 - Demolition of existing structures and construction of a two storey centre-based child care centre with basement car parking - PAN-333189 (Determination D08821543)**

The proposed 10 lineal metres long 'Works Zone' is required to accommodate deliveries and construction vehicles during construction which has commenced at the site and is required for a period of 8 weeks initially.

Providing the temporary 'Works Zone' along the site's frontages will minimise disruption to traffic when construction vehicles require access to the site.

**CONSULTATION**

No further consultation is required as the location of the proposed 'Works Zone' is along the frontage of the construction site.

**ATTACHMENTS**

1. Plan of proposed Works Zone signs LTC 04/2025.

**RECOMMENDATION THAT**

1. 10m long 'Works Zone 7am-5:00pm, Mon-Sat' be approved for installation at 26 Railway Parade, Hornsby for the duration of the construction activity (initially 8weeks) in accordance with Council's 2024/2025 Fees and Charges.
