Proposed Disabled Parking Space

Date of Circulation: 24 August 2018

REFERRAL OF TRAFFIC MATTER FOR COMMENT OR OBJECTION, IF ANY

SUMMARY

This report details the traffic implications of the proposed "Disabled" parking space in Brooklyn Road at the front of Brooklyn Community Health Centre.

SUBJECT

Parking in Brooklyn Road along the frontage of Brooklyn Community Centre is arranged as four 90 degree parking spaces with a 4 hour parking restriction (8.30am-6pm Mon-Sun, including public holidays). One 'No Parking' space is also provided at the eastern end of the parking area to accommodate pick up and drop off of goods and passengers.

Council has received a request from the community centre to provide a dedicated 'Disabled' parking space at this location to benefit the centre's users holding mobility parking scheme permits.

In order to accommodate the 'Disabled' space without loss of parking, the area needs be rearranged as follows:

- 1. Adjustment and remarking of existing 4 hour parking spaces.
- 2. Removal of existing 'No Parking' signs.
- 3. Signposting of Disabled Parking space (1 hour time limit) near existing kerb ramp.

A plan of the proposed parking changes is attached.

CONSULTATION

In June 2018 Council invited comments on the proposal from residents and retailers in the area. Letters were sent to 8 occupiers and retailers. The proposal was also placed on Council's website. Letters were sent to regulatory authorities and transport providers.

No submissions were received by Council.

RECOMMENDATION THAT

- 1. One disabled parking space 5.4m long x 3.3m wide be provided at the front of the Brooklyn Community Health Centre in Brooklyn Road in accordance with plan No LTC 27/2018.
- 2. The remaining 90 degree 4 hour parking spaces be remarked in accordance with plan No LTC 27/2018.
