REFERRAL OF TRAFFIC MATTER FOR COMMENT OR OBJECTION, IF ANY

SUMMARY

This report details the traffic implications for the installation of parking restrictions in Quarry Lane, Dural. The parking restrictions are proposed to improve access for larger delivery vehicles to properties in Quarry Lane.

SUBJECT

Council has received a request from local residents to install parking restrictions along Quarry Lane. The residents have reported that when cars are parking on both sides of the road, there is no room for vehicles, especially trucks, to manoeuvre safely down the lane.

Quarry Lane is a sealed lane approximately 6m wide providing access to Pacific Hills Christian School driveways as well a number of semi-rural properties. Site inspections have confirmed that due to parking occurring around school finishing times the lane becomes inaccessible for larger vehicles.

It is proposed that:

‘No Stopping, 2:30pm – 4pm, School Days’ signs will be installed along the eastern side of Quarry Lane and between the existing ‘No Stopping’ zone near Quarry road and the end of the lane (approx. 200m)

CONSULTATION

In November 2018, Council invited comments on the proposal from residents, occupiers, and Pacific Hills Christian School. The proposal was also placed on Council’s website. Letters were sent to regulatory authorities and transport providers.

Two written responses were received from residents and the school. A summary of the comments and Council response is provided below. Copies of the response letters are available upon request:

Submission from resident and school - We do propose an amendment to the HSC proposed location of the ‘No Stopping’ Signs. We recommend that ‘No Stopping’ signs be erected on the eastern side of Quarry Lane, and deletion of the two proposed ‘No Stopping’ signs at the end of the lane on the school side.

Council response – Proposed part time ‘No Stopping’ signs will be erected along the eastern side of the Quarry Lane. Subject to monitoring in 2019 the signs will be converted to all day parking restrictions.

RECOMMENDATION THAT

1. The ‘No Stopping, 2:30pm – 4pm, School days’ signs will be installed on the east side of the Quarry Lane (200 metres long) as per plan LTC 43/2018.
2. That the operation of Quarry Lane be monitored in 2019 and the part time parking restrictions changed to permanent ‘No Stopping’ if warranted.

Note for voting Local Traffic Committee members.

Under the RMS’ ‘Delegation of Functions to Regulate Traffic’ (operation of local traffic committees) you are required to comment or indicate your acceptance or objection to the

recommendation of this report. Your response must be submitted in writing within 28 days of the date of this notice. Please send your response via return email for the item, or email trafficbranch@hornsby.nsw.gov.au For further information please contact Radek Zarzycki on 9847 6616. Upon receipt of your comments the matter will be referred to Council for action.

Radek Zarzycki
Acting Chairman
