REFERRAL OF TRAFFIC MATTER FOR COMMENT OR OBJECTION, IF ANY

SUMMARY

This report details the traffic implications of proposed temporary 'Works Zone' in 14 Derby Road, Hornsby, to accommodate the construction of a new single dwelling – 2 storeys dwelling house.

SUBJECT

Council has received a request from the property owner for a temporary 'Works Zone' at the frontage of 14 Derby Road, HORNSBY. The building works project is in accordance with (DA/411/2019). The proposed 15 metres long 'Works Zone' is required to accommodate deliveries and construction vehicles during construction which has commenced at the site and is required for a period of 26 weeks initially. Providing the temporary 'Works Zone' along the site's frontage will minimise disruption to traffic when construction vehicles require access to the site.

Parking along the residential side of Derby Road is currently unrestricted with restrictions posted along the hospital's frontage. Around Hornsby Hospital the demand for parking is very high.

CONSULTATION

No consultation is required as the location of the proposed 'Works Zone' is along the frontage of the construction site.

RECOMMENDATION

1. 15m long "Works Zone 7am-5:00pm, Mon-Sat" be approved for installation at 14 Derby Road, Hornsby for the duration of the construction activity (initially 26 weeks) in accordance with Council's 2019/2020 Fees and Charges.
