REFERRAL OF TRAFFIC MATTER FOR COMMENT OR OBJECTION, IF ANY

SUBJECT

Council is about to commence the upgrade of The Lakes of Cherrybrook Playground. The work will involve new pathways, play equipment and landscaping. The work area is inaccessible to most construction vehicles due to it being located 1.5m below existing road levels on Shepherds Drive. The only service gate entry on Shepherds Drive allows for small service ute and mowers to come down the steep slope to maintain the park. Large vehicles (such as concrete trucks) will not be able to access site and will need to be parked on Shepherds Drive. Providing the temporary 'Works Zone' along the site's frontages will minimise disruption to traffic when construction vehicles require access to the site.

CONSULTATION

No further consultation is required as the location of the proposed 'Works Zone' is along the frontage of the construction site.

RECOMMENDATION THAT

1. 16.5-metre long 'Works Zone 07:00am to 5:00pm, Monday-Saturday' be approved for installation at Shepherds Drive, Cherrybrook for the duration of the construction activity, initially 12 weeks.

Note for voting Local Traffic Committee members.

Under Transport for NSW 'Delegation of Functions to Regulate Traffic' (operation of local traffic committees) you are required to comment or indicate your acceptance or objection to the recommendation of this report. Your response must be submitted in writing within 14 days of the date of this notice.
