

AMENITIES BUILDING UPGRADE DUSTHOLE BAY, BEROWRA WATERS

PROPOSED LANDSCAPE PLAN

LOCATION PLAN

PROJECT DESCRIPTION

Council is proposing to upgrade the toilet facilities at Dusthole Bay, Bay Road, Berowra Waters.

The objective of the project is to improve accessibility, safety and inclusivity and support hygiene in Council's public amenities.

Key elements of the project include:

- Demolition of the existing brick amenities building
- Construction of a new amenities building including 2 x accessible, and 4 x unisex (2 ambulant) cubicles
- New pathways to improve access to the toilet building
- Outdoor shower

Construction works are expected to conclude in August 2025, weather permitting.

This project is brought to you by your Special Rate Variation. Building a stronger future for Hornsby Shire.
