Adding Value to Your Library Card

NO CHANGE WILL BE GIVEN BY THE KIOSK

1. Tap 'Add Value'

2. Scan the barcode on your Library in the 'Present Card' slot OR enter your library card number and password using the onscreen keyboard

3. Choose your payment option by tapping 'Cash' or 'EFTPOS'

4. Insert cash or enter the EFTPOS amount

5. If you selected EFTPOS tap your card on the EFTPOS terminal or insert your EFTPOS card and enter your PIN

6. If successful, a payment confirmation message will display on the screen

7. Print your receipt if required
