**CONCLUSION**

The submissions from residents show general support for proposed parking spaces and footpath access to Mambara Track. While some submissions suggest enhancing parking enforcement for proposed disabled spaces and further extension of footpath to Kurrajong Street, Council will inform the public that the parking bays will be for disability permit holders only, any vehicles parking in the proposed bays which do not have a disability permit will be subject to enforcement by Council's Traffic Rangers. Council will consider formalising footpath to Kurrajong street pending further investigation.
