

RESPONSE TO CORONAVIRUS

Council is mindful of growing community concern about Novel Coronavirus 2019 and takes these concerns seriously. At all times Council, will be guided by the professional medical advice of Federal and State Government agencies before any changes are made to our operations.

At this stage, all council operated community facilities such as libraries, community centres, sporting and recreational facilities remain open with no changes to operations. As always, members of the public are encouraged to observe good hygiene practices and seek professional advice from their General Practitioner or local Hospital if they have any flu-like symptoms.
