

PLAYGROUND PLAN

FENCING PLAN

PROJECT DESCRIPTION

Brickpit Park playground is scheduled for renewal under Council’s capital works program. The playground upgrade has been designed to tell the story of the site as a former brickworks.

A custom chimney tower and ‘kiln’ structure will form the focal point of the playground, acting as a landmark in the landscape. The other nearby equipment hints to the production processes of brick making that took place on the site. These processes include the excavation of clay material, transport, processing and pressing of bricks.

The playground will be fully enclosed by playground fencing and include a number of shade sails. Other new features include waterplay and nature play areas.

New tree plantings will increase shade and will frame the playground within the wider landscape.

Additional picnic shelters and seating opportunities will be provided.

KEY

- 1 Proposed Off leash dog park - fenced
- 2 District level playspace - fenced
- 3 Revegetated area
- 4 Existing carpark
- 5 Existing amenities block
- 6 Picnic lawn
- 7 Picnic area
- 8 Existing retained equipment on upper level
- 9 Pedestrian Circuit path
- 10 Pedestrian connection to Pennant Hills Road
- 11 Pedestrian connection to Dartford Road/ Pennant Hills Road
- 12 Feature heritage brick wall

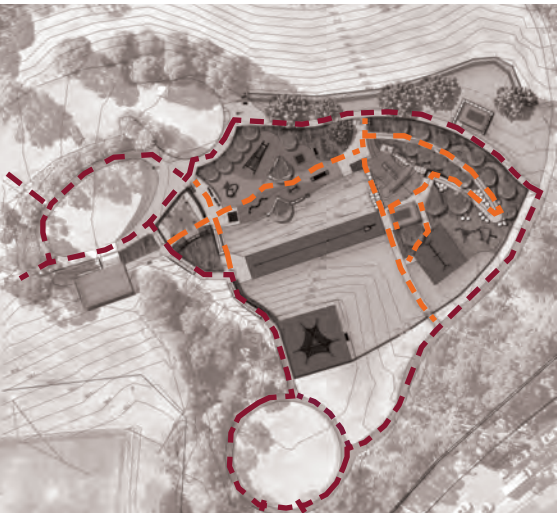

LEGEND

- Rubber Softfall
- Proposed trees
- New concrete path
- Sandstone boulders
- Coloured concrete
- Softfall mulch
- Shelter
- Shade sail
- Playground fence

PLAY EQUIPMENT KEY PLAN

CIRCULATION PLAN

- Pedestrian circuit path
- Playground circulation
