

PROJECT DESCRIPTION

Following community consultation in December 2024 - February 2025, Council has amended the draft playground concept plan for Edward Bennett Oval.

The Amended Playground Concept Plan features:

- Fully fenced playground
- Shade sail and additional shade tree plantings
- New pre-fabricated and accessible amenities building
- New picnic shelters with accessible furniture
- Covered accessible BBQ
- New pedestrian footpaths with links to the broader proposed oval circuit path
- Improvements to drainage
- New seating opportunities throughout playground
- A wider range of play opportunities to reflect a district level provision
- Neutral colour scheme with green highlights

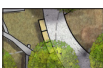

Key amendments include:

- Substitution of main slide/rope element to larger central tower.
- Replacement of existing shelter
- Gross pollutant trap (installed under ground) and maintenance access (Part of stage 2 water quality works)
- Fireman poles added to monkey bars.
- Club storage added to amenities building
- Circuit path alignment adjusted
