

Speed limit reduction along Cobah Road, Arcadia

Community notification

July 2025

Transport for NSW acknowledges the Darug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW (Transport) is reducing speed limits in some areas to provide a safer road environment for pedestrians and other road users.

Following requests from the Hornsby Shire Council, NSW Police and the local community regarding speeding in the area, Transport has carried out a speed limit review at this location.

Based on the review and our speed limit guidelines, Transport is now proceeding with lowering the speed limit along Cobah Road, between Arcadia Road and Nollands Road from 70km/h to 60km/h.

This reduction will create a consistent speed limit along the entire length of the road and bring it in line with the NSW Speed Zoning Standards.

What work are we doing?

Reducing speed limits in both directions along Cobah Road, between Arcadia Road and Nollands Road from 70km/h to 60km/h.

Work includes:

- removing 70km/h signs
- installing 60km/h signs
- removing the old speeds painted onto the road
- painting the new speeds onto the road.

When and where we'll be working

Work will take place over **one day shift** on **Thursday 17 July 2025**, weather permitting.

Work hours are **7am to 6pm**.

What will this mean for you?

For the safety of road users, temporary traffic changes will be in place when we are working.

You may notice:

- a work zone speed of 40km/h
- workers and vehicles
- traffic controllers and signage
- single lane closures
- noise from machinery and equipment.

Managing our impacts

- reducing our noise as much as possible
- turning off equipment when not in use.

Please follow the direction of traffic controllers and signs and keep to the speed limits.

Thank you for your cooperation while we carry out this important work.
