

## Accessing your email

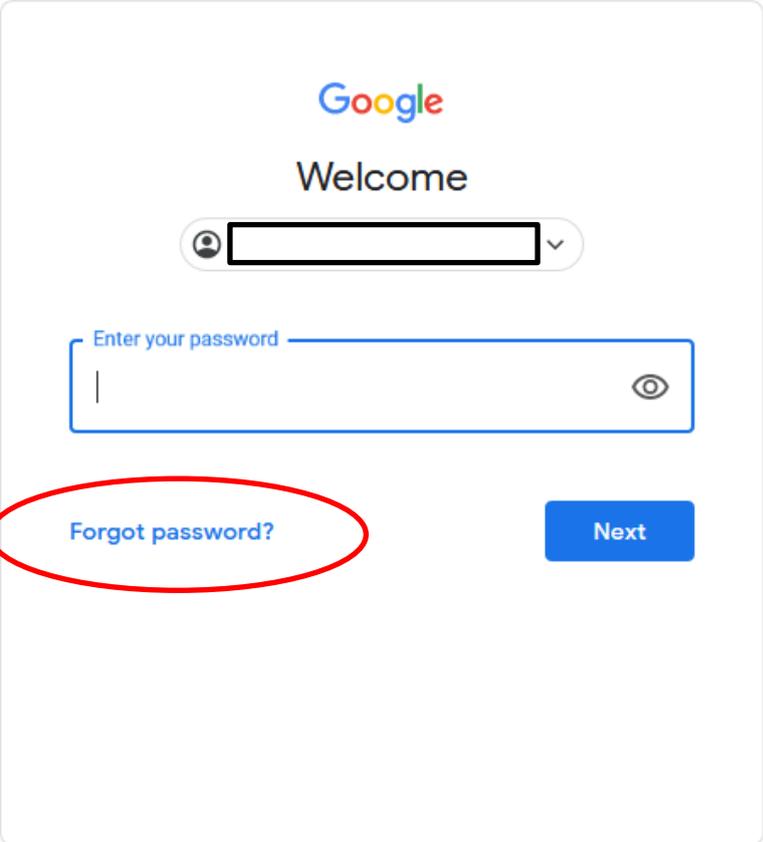

**IMPORTANT: resetting your email password via any of the links below will require you to update your saved email password on your phone or mobile device. Please note that in order to reset your email password you will need to have previously registered your phone number or another email address. This information (your phone number or alternative email address) is the means by which you will receive notification to reset your email password.**

### Gmail

To access your Gmail account, go to the following web address and enter your email address and password.

<https://gmail.com>

If you can't remember your password, enter your email address, click on 'Forgot password?' and follow the prompts.

The image shows a screenshot of the Gmail login interface. At the top, the Google logo is displayed in its multi-colored font, followed by the word "Welcome" in a simple sans-serif font. Below this, there is a rounded rectangular input field for an email address, with a small person icon on the left and a dropdown arrow on the right. Underneath the email field is a larger password input field with the placeholder text "Enter your password" and a small eye icon on the right to toggle visibility. At the bottom of the form, there are two buttons: a blue button with the text "Forgot password?" which is circled in red, and a blue button with the text "Next".

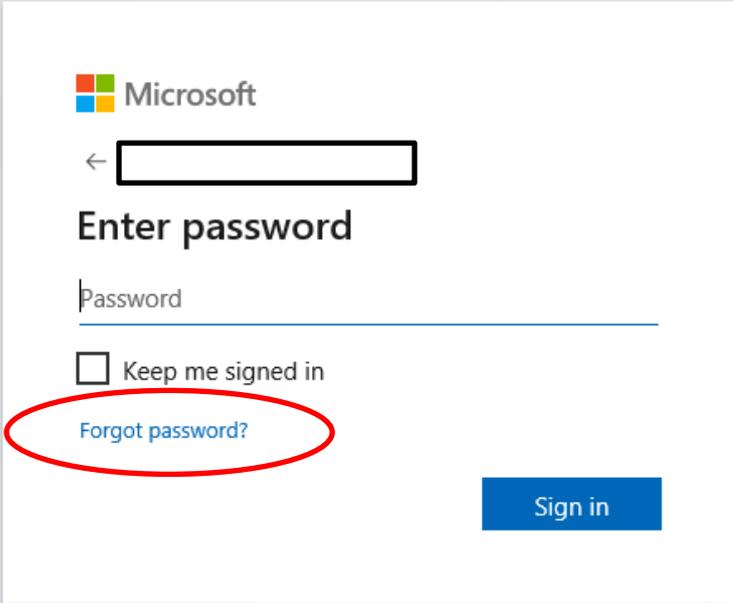

## Hotmail/Outlook

To access your Hotmail/Outlook account go to either of the following web addresses and enter your email address and password.

<https://hotmail.com>

<https://outlook.com>

If you can't remember your password, enter your email address, click on 'Forgot password?' and follow the prompts.

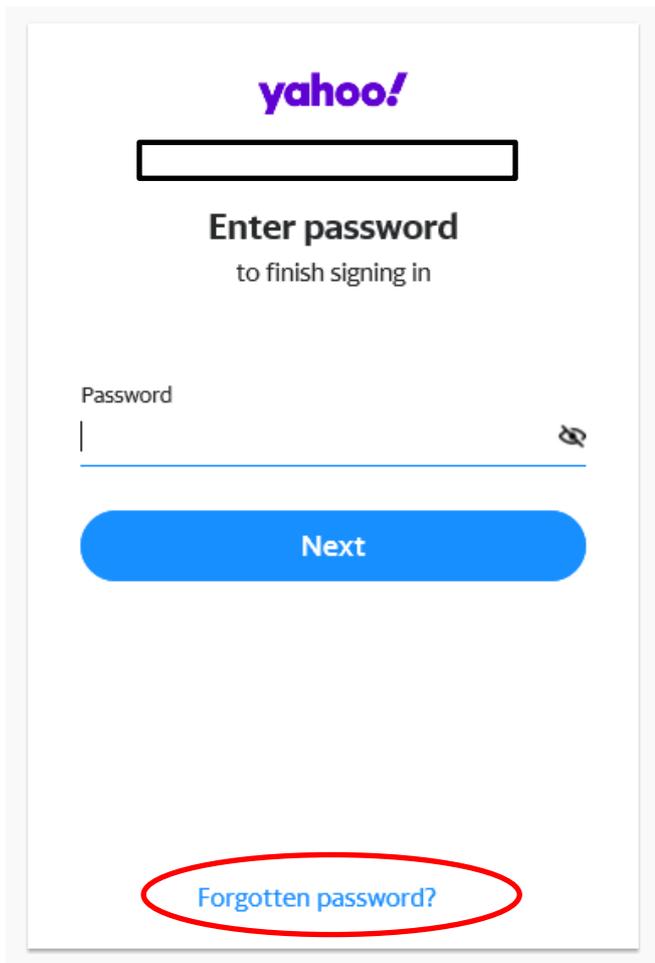

The image shows a screenshot of the Microsoft sign-in page. At the top left is the Microsoft logo. Below it is a back arrow and a text input field. The main heading is "Enter password". Below that is a password input field with the placeholder text "Password". Underneath the password field is a checkbox labeled "Keep me signed in". Below the checkbox is a blue link labeled "Forgot password?", which is circled in red. At the bottom right is a blue "Sign in" button.

## Yahoo Mail

To access your Yahoo Mail account, go to the following web address and enter your email address and password.

<https://au.mail.yahoo.com>

If you can't remember your password, enter your email address, click on 'Forgot password?' and follow the prompts.

**yahoo!**

**Enter password**  
to finish signing in
