### 'Penguin Problems' – Dancing Penguin Craft

#### Instructions:

1. Colour in all the pieces
2. Cut out the circle, the penguins head and his hat. You do not need to cut the penguins body out, only the circle.
3. Fold the circle across the dotted line
4. Glue the hat to the head, and then the head to the body.
5. Stand the penguin up on a surface and tap the top edges to make them dance!
