

HORNSBY EMPLOYMENT OPEN DAY

When it comes to finding the right employment provider, the choices can often feel overwhelming.

That's why we decided to create an open office event so you can visit our location, meet our staff and ask the questions that matter to you.

This is a must attend event if you, or someone you provide services and supports to:

- Has a mental health condition (i.e. anxiety or depression)
- Wants to find a suitable job
- Needs more information about local employment services
- Lives near either Hornsby or Parramatta

This is a must-book event as seats are limited. All attendees will also go into the draw to win a \$100 Westfield gift card, so get in quick!

Wed, 24th March
