Subject: Proposed Changes to Parking Restrictions - 'No Parking - Taxis Excepted' signs
Date of Circulation: Tuesday, 2 January 2024

REFERRAL OF TRAFFIC MATTER FOR COMMENT OR OBJECTION, IF ANY

SUMMARY

This report details the traffic implications of proposed changes to 'Taxi Zone' signs in Hannah Street, Beecroft to accommodate set-down and pick-up by private cars.

SUBJECT

Council has received a request from local retailers and residents to change the 'Taxi Zone' signs in Hannah Street, Beecroft, to allow other cars to use this area.

To improve pick-up and drop-off opportunities near Beecroft Station, Council is proposing to change the existing 'Taxi Zone' in Hannah Street to 'No Parking - Taxis Excepted'. This change of signage will have no operational impact on the use of the zone by taxis, but enable all drivers to pick-up and drop-off passengers in this area.

A plan of the proposal is attached.

CONSULTATION

Public Consultation has been conducted and Council invited comments on the initial proposal from residents, tenants, transport providers and authorities. 50 letters were delivered to local retailers and residents in Hannah Street and 6 letters were sent to authorities and NSW Taxi Council.

The proposal was also placed On Exhibition on Council's website for 14 days in December 2023. During the consultation period, twenty-seven (27) submissions were received by Council. A *Public Consultation Summary* of the submissions, with Council responses, is attached to this report. Copies of the submissions are available upon request.

A table summarising the submissions is provided below:
