

SPECIAL CONDITIONS OF PERMIT FOR HORNSBY MALL

Parking and Vehicle Access

1. Vehicular access and parking (excluding emergency service vehicles) is not permitted in Hornsby Mall unless prior permission has been obtained in the form of Authorised Vehicle Entry Permit.
2. A Permit Holder will ensure that only vehicles issued with a HSC Permit are brought into the Hornsby Mall.
3. A Permit Holder will ensure that all authorised vehicles whilst in the Hornsby Mall are under the control of suitably qualified, experienced and/or licensed representatives.
4. A Permit Holder shall ensure that a vehicle Permit is clearly displayed on the front window of all vehicles whilst in the Hornsby Mall and vehicles shall not be allowed to idle for extended periods of time. HSC will accept no responsibility should an infringement notice be issued on an authorised vehicle not displaying the vehicle Permit.
5. A Permit Holder shall ensure that whilst an authorised vehicle (excluding cash in transit vehicles) is parked within the Hornsby Mall the engine is switched off to limit noise and exhaust emissions that may impact on visitors and patrons to the Hornsby Mall including outdoor seating areas.
6. A Permit Holder shall only be allowed to bring a vehicle into the Hornsby Mall for the specific purpose at the times stated on the authorised vehicle entry Permit.
7. A Permit Holder shall ensure that all vehicles give way to pedestrians and do not exceed a speed of 5 km/h whilst within the boundaries of the Hornsby Mall.
8. A Permit Holder shall ensure that the most direct entry point is used when entering the Hornsby Mall and vehicles do not obstruct the emergency vehicle accessways at any time.
9. A Permit Holder shall ensure that no grease, oil or other substances are spilt or leak on the surface of the Hornsby Mall from a vehicle. The cost to clean or repair any damage which may occur to the Hornsby Mall surface from vehicle movements shall be borne by the Permit Holder.
