Subject: Proposed Temporary Works Zone and Temporary Relocation of Taxi Rank
Date of Circulation: Thursday, 1 April 2021

REFERRAL OF TRAFFIC MATTER FOR COMMENT OR OBJECTION, IF ANY

SUMMARY

This report details the traffic implications of proposed temporary Works Zone at 38-76 Palmerston Road, Hornsby, to accommodate deliveries and construction vehicles at the Hornsby Ku-Ring-Gai Hospital development.

SUBJECT

Council has received a request from Roads & Traffic Management Services for a temporary 'Works Zone' at the side boundary of Hornsby Hospital, 38-76 Palmerston Road, Hornsby. The building works project is in accordance with construction certificate (CC/150/2019). The proposed 18 metres long 'Works Zone' is required to accommodate deliveries and construction vehicles during construction which has commenced at the site and is required for a period of 12 weeks initially. Providing the temporary 'Works Zone' along the site's frontages will minimise disruption to traffic when construction vehicles require access to the site. It is also proposed that the existing 'Taxi Rank', located in Palmerston Road near the intersection with Northcote Road, be temporarily relocated 18 metres north of the existing location, for the duration of the construction activity.

CONSULTATION

Hornsby Hospital has consulted with NSW Taxi Council who have no objections to the proposal. No further consultation is required as the location of the proposed 'Works Zone' is along the frontage of the construction site.

RECOMMENDATION THAT

1. 18 metres long 'Works Zone 7am-5:00pm, Mon-Sat' be approved for installation at Hornsby Hospital, 38-76 Palmerston Road, Hornsby for the duration of the construction activity (initially 12 weeks) in accordance with Council's 2020/2021 Fees and Charges.
2. The existing 'Taxi Rank' at the front of Hornsby Hospital in Palmerston Road be temporarily relocated to accommodate the 'Works Zone'.
