Community Information Sessions – RESCHEDULED to NEW DATES below

Foxglove Oval Environmental Works

Council has postponed the community information sessions scheduled for June (23 and 25), to beyond the school holidays in July. The June dates were advertised in the recently published June Community Update.

The invitation is extended to community residents and users of Foxglove Oval to drop in at the Oval to meet Council's environmental works project team. This provides an opportunity to discuss matters of interest relating to the construction work that has commenced on the northern boundary of the Oval.

SESSION 1 Thursday 21 July 2022
4:00pm - 6:00pm
At Foxglove Oval

SESSION 2 Saturday 23 July 2022

We will send out a reminder closer to the date. We look forward to seeing you there!
