### “The Girl, The Bear and the Magic Shoes” – Bear and Shoes craft

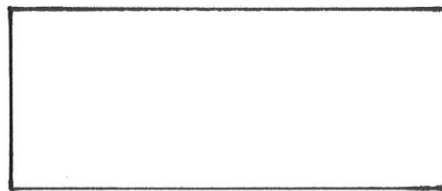

#### Instructions:

1. Cut the page in half along the middle line
2. Colour in the bear and the bears shoes
3. Cut out the shoes by cutting along the solid black box around them.  
Make sure you do not cut along any of the dotted lines
4. Fold along the dotted lines pushing the flaps made to the back of the paper
5. Match the types of shoes to the labels underneath the boxes. Glue down only the flaps so that you make the paper shoes in to pockets
6. Cut out your bear and stick its feet into the shoes!

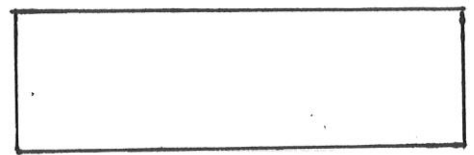

**BONUS:** You can also draw pictures above the shoes of where you think bear might wear each of the different type of shoe.
