

YOUR GUIDE TO SECONDHAND HORNSBY

Are you interested in vintage, reuse and bargain shopping? Would you like to give your household items another life? Second Hand Hornsby brings together buyers and sellers of second hand items, right here in the Hornsby Shire.

What is Secondhand Hornsby?

Secondhand Hornsby is an online listing of garage sales held in the Hornsby Shire and encourages both sellers and buyers of second-hand items.

How do I get involved?

■ Holding a garage sale

Simply register your garage sale at hornsby.nsw.gov.au/shh and we will promote it through our monthly e-newsletter, social media channels and local newspapers. You can also download free posters from our website to help promote your garage sale.

■ Visiting garage sales

Check out our list of garage sales at hornsby.nsw.gov.au/shh

There is a handy search function and map to see what garage sales are happening in your local area. You could plan a day out with friends, organise a garage sale route across the Shire and have a picnic lunch in a local park along the way.

Garage sale check list

- Decide on the date and time of your garage sale
- Register your garage sale, as soon as possible at hornsby.nsw.gov.au/shh, we recommend three weeks in advance
- Collect all your items for sale and decide on how much items will be sold for
- Invite friends and family to assist on the day
- Have plenty of cash available for change
- Provide food and drinks for your 'helpers' on the day
- Take leftover items to your local charity store (check that they have capacity to accept items first)
- Have fun, knowing you are saving items from landfill and reusing precious natural resources
